MAR 16 1995

hr. Martin Arevalo 10260 Westheimer Road, Suite 230 Houston, TX 77042

Dear Mr. Arevalo:

Subject: Trifluralin Technical

EPA Registration No. 67959-1

Application Dated November 7, 1994, Request to Revise Labeling Signal Word from "WARNING"

to "CAUTION"

The proposed amendment listed on your application to amend the subject pesticide product has been reviewed and is acceptable for registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended, provided that you:

- Revise the ingredient statement by alining the percentages of active, inert ingredients and total on the same decimal point position in the line where they occur: 10.2 to 10.2 t
- 2. Submit one (1) copy of the final printed labeling before you release the product for shipment under the subject labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA, section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Sincerely yours,

Joanne I. Miller Product Manager (23) Fungicide-Herbicide Branch Registration Division (7505C)
