Priority Care

Brilliance™ Flea & Tick Shampoo

DIRECTIONS FOR USE
As a shampoo to kill Fleas and Ticks, wet the pet's coat with warm water. Starting at the head, work shampoo thoroughly into the hair. Allow the lather to penetrate the fur for five minutes before rinsing. Dry with a towel. The pet will have a clear lustrous coat, free of fleas and ticks. Repeat every week if necessary.

Do not use on puppies or kittens under 12 weeks of age.

Pet bedding and quarters should be treated simultaneously with an approved product. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
