Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
  - a. Revise the EPA Registration Number to read, "EPA Reg. No. 68086-1".
  - b. Add the following statement to the **Statement of Practical Treatment**: "IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting."
  - c. Revise the Disposal statement in the **Storage and Disposal Section** to read: "DISPOSAL: Do not reuse this container. Wrap in several layers of newspaper and discard in trash."
  - d. Delete the reference to "Directions for Use" in the right column of the label.
  - e. Revise the **Ingredients Statement** to read as follows:  
ACTIVE INGREDIENT:  
Orthoboric Acid.....100%

2 y 3

- f. Delete the section entitled "Domestic Application." This information is redundant.
- g. Revise the sentence "Apply directly on creases and into corners and furniture wells." to read "Apply along creases and into corners and furniture wells."
- h. Correct the grammatical errors in the **Use Restrictions** section.
- i. Revise the company name to read "Fleas No More, Inc." The company name "Flea Doctor, Inc." could not be found in the Agency's records.

3. Submit three copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
