68086-7

EPA Reg. Number:

Date of Issuance:
August 10, 2005

NOTICE OF PESTICIDE:

x\_Registration

Reregistration

(under FIFRA, as amended)

Name of Pesticide Product

**FOOEY®** 

Name and Address of Registrant (include ZIP Code):

Synergy Labs, Inc. 3333 SE, 14<sup>th</sup> Avenue Ft. Lauderdale, FL 33316 R31 5-774438

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others

This product is registered in accordance with sec. 3(c)(5)(A) of the Federal Insecticide, Fungicide and Rodenticide Act provided that you submit a copy of final printed labeling to us, with the following labeling changes, before you release product for shipment:

- 1. Add the following registration number to the label: "EPA Reg. No. 68086-7".
- 2. In the "STORAGE AND DISPOSAL" section, change "CONTAINER DISPOSAL" heading to "DISPOSAL" according to PR Notice 2001-6. See Enclosure 2 for preferred format.

Within one (1) year of this "Notice of Registration", submit the required product chemistry data on the source of active ingredient, denatonium benzoate, in accordance with Enclosure 2. You will need to satisfy each requirement marked with a "Yes" under both headings, "TGAI" and "MUP".

Note that this product is subject to re-registration under section 4 of FIFRA and that you, other registrants of your active ingredient, and your source of active will be responsible for obtaining any additional data needed to bring the active and registered products up to current requirements.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Enclosures.
