 Registration
 Reregistration

(Under FIFRA as amended)

Name and Address of Registrant (include ZIP Code):
Synergy Labs
3333 SE 14th Avenue
Ft. Lauderdale, FL 33316

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:
 - a. Revise the EPA Registration Number to read "EPA Registration Number 68086-9."
 - b. Move the Hot Line Number box to under the First Aid section.

Signature of Approving Official:
Leda A. De Hair for Richard Gebler

Date:

c. Add under First Aid

"IF ON SKIN OR CLOTHING

-Take off contaminated clothing.

-Rinse skin immediately with plenty of water for 15-20 minutes.

- Call a poison control center or doctor for treatment advice."

d. Delete "Also helps heal & soothe irritated skin due to flea bites."

3. You must generate a one year storage stability and corrosion characteristics on the proposed product. Observations must be made at 0, 3, 6, 9 and 12 months. The results must be submitted to the Agency along with and electronic format.

4. Please submit two (2) copies of your final printed labeling before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Linda A. DeLuise of my team at (703) 305-5428.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

When shampooing animal, avoid eyes. Use cloth or sponge to shampoo around animal's eyes. Wear rubber gloves (mitts) when applying this product. Thoroughly wet the entire hair-coat with warm water and then apply enough shampoo to make a lather and work thoroughly into the hair-coat. For maximum parasite control allow lather to remain in contact with skin for five to ten minutes before rinsing. Do not reapply product for 7 days. Do not use on nursing puppies or kittens under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place.
DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency, call the National Pesticide Information Center at 800-858-7378.
