UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

NOV 13 1995

Water Solution Technologies, Inc.
3861 Mission Ave. B5-129
Oceanside, CA 92054

Attn: W. "Jerry" Von Medlin

Subject: WST Iodinated Resin Cartridge
EPA Registration No. 68158-1
Your Resubmission of August 1, 1995

The amended product labeling, revised in accordance with EPA's letter of July 21, 1995 has been reviewed. The following comments apply.

- The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy is enclosed for your records. One copy of the finished labeling must be forwarded before releasing the product for shipment.

a. The company address listed on the product label under "Manufactured by" should be the same as the corporate address of record for your registration: 3861 Mission Ave. B5-129, Oceanside CA. 92054.

b. Contact your regional EPA office for the procurement of an EPA Establishment No. which will be associated with your registration. The EPA Establishment No. should then be listed in subsequent drafts and/or printings of your product label.

If you should have any questions concerning this letter, you may call Robert Travaglini on (703) 305-6909.

Sincerely,

R. J. 607

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

Under certain conditons the product water can contain small amounts of iodine therefore persons with thyroid problems and pregnant women should consult their physician prior to use.

CAUTION: May cause eye and skin irritation. Avoid direct contact with eyes, skin or clothing. Wear goggles and plastic gloves when handling. Wash thoroughly after handling, including clothing.

STATEMENT OF PRACTICAL TREATMENT (FIRST AID)

IF SWALLOWED: If conscious, drink large quantities of water, transport to hospital and observe for signs of iodine toxicity. If no hospital is available, induce vomiting, drink large quantities of water, and observe for adverse reaction. If unconscious or convulsing, transport to hospital immediately. Never give anything by mouth to an unconscious person.

IN CASE OF CONTACT WITH EYES:

Wash thoroughly with water for 15 minutes. If irritation persists, see a physician.

IN CASE OF CONTACT WITH SKIN:

Wash with mild soap and water. If irritation persists, see a physician. Contaminated clothing should be washed before reuse.
