P.O. Box 1499
Hobbs, NM 88241

Attention: Pamela J. Moose
Administrative Assistant

Subject: Alpha 501
EPA Registration Number 68329-4
Your Submission Dated September 7, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended is acceptable provided that you make the following revision before you release the product for shipment bearing the amended labeling.

1. Under the "Direction for Use" delete the heading "General Classification".
2. On the left front panel revise the "First Aid" If swallowed...". to read "Statement of Practical Treatment" (First Aid): If swallowed drink large quantities of water. Avoid alcohol. Call a physician immediately.

A stamped copy is enclosed for your records. Submit one copy of the final printed label before you release the product for shipment bearing the amended label.

It should be noted that whenever you wish to amend the registration of a product whether it is to update the labeling or the CSF, an application form should accompany the submission. To obtain forms, please call (703) 308-8341.

To inform the Agency of a company name change and/or address change, correspondence from the company indicating the old company name and address and the new company name and/or address and signed by a company official should be submitted. The correspondence should also include the telephone number of the appropriate contact person. The correspondence should be addressed to:

ALPHA 501

ACTIVE INGREDIENT:

Poly[oxyethylene (dimethyliminio) ethylene-
(dimethyliminio) ethylene dichloride] 18.0%

INERT INGREDIENT: 82.0%

TOTAL 100.0%

This product contains 1.56 lbs. of active ingredient per gallon and weighs 8.67 lbs. per gallon.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.
