401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

68334-1

5 DEC 1995

Term of Issuance: Conditional

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Name of Pesticide Product: Ultra
Boric Crystals Flea
Eliminator

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Earthworld Super Flea Eliminator, Inc.
23 South Walton Avenue
Tarpon Springs, FL 34689

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 68334-1".
 - b. Remove the claim "Treats up to 400 square feet per pound." This statement has not been approved for use on the cited product. To include this claim, you must submit efficacy data for the Agency's review and approval.
 - c. Add the signal word "CAUTION" to the beginning of the Precautionary Statements.
 - d. Revise the Storage and Disposal Statement to read as follows:

Storage and Disposal

Storage: Keep container closed when not in use. Store in original container, in a dry place inaccessible to children and pets.

Disposal: Do not reuse empty container. Securely wrap container in several layers of newspaper and discard in trash.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
