68403-2

Date of Issuance:

19 JUL 1995

Term of Issuance: Conditional

Name of Pesticide Product: OKA
Mosquito Repellent
Coils

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Ms. Kim Davis
Regwest Co., Agent for HWY Products, SDN, Berhad
P.O. Box 2220
Greeley, CO 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 68403-2".
- b. You must have an EPA Establishment No. Contact Ms. Carol Buckingham, (202) 564-5008 to obtain one.

c. The Storage and Disposal Statement must be set apart so that it is clearly separated from the directions for use. In addition, it must have a heading "Storage and Disposal", and it must be revised to include the statement: "Do not contaminate water, food, or feed, by storage and disposal."

d. The Precautionary Statements must be revised to read as follows:
CAUTION: Harmful if inhaled. Harmful if absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Avoid breathing vapors. Remove contaminated clothing and wash clothing before reuse.

e. Move to the Directions for use the statement "Cover any exposed food to avoid contamination."

f. Delete the statement "Do not place in direct contact with flammable objects, materials or surfaces".

g. Revise the Statement of Practical Treatment to read as follows:
If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists. If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

h. The Net Contents must be expressed in terms of ounces or pounds.

3. The alternate formulation is not acceptable. The requested alternate source is not 92% active as indicated in the submitted alternative confidential statement of formula.

4. Please correct the units in item 7 in the basic confidential statement of formula. The product is not a liquid.

5. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
