Susan Stracquatano
Agent for Tessara (Pty) Ltd.
c/o Delta Analytical Corp
12510 Prosperity Dr, Suite 160
Silver Spring, MD 20904

Subject: Notification per PRN 98-10 – Correcting subheader, updating Company name & address
Product Name: UVASYS
EPA Registration Number: 68506-2
Application Date: 10/31/18
Decision Number: 545695

Dear Ms. Stracquatano:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records. Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance. If you have any questions, you may contact Marianne Lewis at (703) 308-8043 or via email at lewis.marianne@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Marianne Lewis".

Marianne Lewis,
Acting Product Manager 22
Fungicide Branch
Registration Division (7505P)
Office of Pesticide Programs

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

 See table for ounces/grams of Sodium Metabisulfite per pad.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed. Harmful if absorbed through skin. Harmful if inhaled. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Avoid breathing dust. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

Personal Protective Equipment (PPE): Applicators and other handlers must wear: Long-sleeved shirt, long pants, shoes and socks, and chemical-resistant gloves made of any waterproof material. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations:

User should wash hands before, eating, drinking, chewing gum, using tobacco, or using the toilet. User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Post-Harvest Use

To assure freshness by the fungicidal control of *Botrytis cineraria* on packaged grapes.

1. Uvasys Slow Release pads must be used in conjunction with an initial Sulfur Dioxide fumigation. If an initial Sulfur Dioxide fumigation is not possible or otherwise desirable, use Uvasys Dual Release pads.
2. Use a polyethylene liner in an appropriate empty shipping container.
3. If required, place padding material to act as a cushion under the polyethylene.
4. Select the appropriate pad size depending on the weight capacity of the box by referring to the side panel table.
5. Use one Uvasys pad per box of grapes. Pads must be placed with the PRINTED GLOSSY SIDE FACING AWAY FROM THE GRAPES.
6. Fold the polyethylene liner over the top pad and close the box.
7. Place the boxes of packed grapes in refrigerated storage at 0-2° C (32-35° F).
8. Remove pad from box before display of grapes for sale or after removal of container from retail store refrigeration facilities.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Keep this product dry in original sealed packs when not in use. Store packs in a cool, dry, well-ventilated area away from heat and flame.

Pesticide Disposal: This pad must be removed and disposed of prior to displaying grapes for sale. Do not allow consumers access to pads. Place used pads in a plastic bag, seal bag and place in an outdoor trash receptacle (dumpster).

Container Handling: Nonrefillable container. Do not reuse or refill this container. Offer bag for recycling if available, or place in trash.
