UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 M St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

68506-3

Date of Issuance:

OCT 5 2001

Term of Issuance: Conditional

Name of Pesticide Product:

UVASPEC Grape Guard

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Grapetek (Pty) Ltd.
c/o Delta Analytical Corporation
7910 Woodmont Avenue, Suite 1000
Bethesda, MD 20814

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Revise the EPA Registration Number to read "EPA Reg. No. 68506-3".
3. Submit two (2) copies of your final printed label before your release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

Carl Grable for PM22

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION. Harmful if inhaled or absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing dust. Wear chemical-resistant gloves made of any waterproof material such as polyethylene or polyvinyl chloride. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Prolonged or repeated skin contact may cause allergic reactions in some individuals.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If Inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
- Call a Poison Control Center or doctor for further treatment advice.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15 to 20 minutes
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a Poison Control Center or doctor for further treatment advice.

If on skin or clothing:

- Take off contaminated clothing
- Rinse skin immediately with plenty of water for 15 to 20 minutes
- Call a Poison Control Center or doctor for further treatment advice.

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To assure freshness by the fungicidal control of *Botrytis cinerea* on table grapes.

1. Pad should not come in direct contact with table grapes.
2. Do not use defective pads, e.g. torn pad, broken seal.
3. Use a polyethylene liner in an appropriate shipping container.
4. Place padding material to act as a cushion under the polyethylene.
5. Place two or three pads of thin paper tissue, or a single faced corrugated sheet, between the grapes and the Uvaspec Grape Guard.
6. Place one Uvaspec Grape Guard pad in each 4.5 kg box.
7. Fold the polyethylene liner over the top pad and close the box.
8. Place the boxes of packed grapes in refrigerated storage at 0-2° C (32-35° F).
9. Remove pad from box before display of grapes for sale or after removal of container from retail store refrigeration facilities.
10. If pad is torn, remove pad and damaged grapes and hold remainder of contents for 24 hours before displaying.

Storage and Disposal

Pesticide Storage

Keep this product dry in a tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat and flame. In case of decomposition, isolate container and flood area with large amounts of water to dissolve all material before discarding this container. Do not reuse empty container but place in trash collection.

Pesticide Disposal

Do not contaminate water, food or feed by storage or disposal. Used pads resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal

Dispose of empty carton in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
