OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

JUL 30 2012

Mr. Jack Orman
Bengal Products Inc.
13739 Airline Highway
Baton Rouge, LA 70817

Subject: Amended Reregistration Label
Product Name: Bengal Indoor Dri-Fogger II
EPA Registration Number: 68543-2
EPA Decision Numbers: 427161

Dear Mr. Orman:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Phenothrin RED, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated Sept 1, 2010

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not

complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Samantha Hulkower at 703-603-0683 or hulkower.samantha@epa.gov.

Sincerely,

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

GENERAL PRECAUTIONS Do not enter or allow others to enter the treated area until the sprays have dried

Do not allow people or pets to enter treated areas until vapors mists and aerosols have dispersed and the treated area has been thoroughly ventilated Wait two (2) hours after application then open windows vents and doors for two hours If an odor is still detected additional ventilation is required

Remove pets birds and cover fish aquariums and ornamental fish ponds before spraying and turn aquarium systems off

TO USE THIS PRODUCT CORRECTLY DO NOT use more than one fogger per room **DO NOT** use in small enclosed spaces such as closets cabinets or under counters or tables Do not use in a room 5 ft X 5 ft or smaller instead allow fog to enter from other rooms

3/6

BEFORE YOU FOG: In the home, do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.

Close exterior doors and windows. Shut off fans, air conditioners, and ventilation equipment. Place a chair, small table or stand in the center of the room to be treated and cover with newspaper. Cover wood floors and wood furniture in the immediate area around fogger with newspapers. Open cabinets, cupboards, drawers, closets and interior doors within the treatment area.

[One 3 oz. canister of fogger will treat a room up to 24 ft. x 25 ft. with an 8 foot ceiling.]

[One 5 oz. canister of fogger will treat a room up to 25 ft. x 40 ft. with an 8 foot ceiling.]

Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.

TO START FOGGING: To start fogging press down actuator tab to locked position. Keep it at arm's length when activating. Point top of can away from face and eyes. Set in upright position on the newspaper. **Vacate the treated house, individual apartment unit or other structure immediately. Do not reenter for two hours.**

AIRING OUT: Do not re-enter for two (2) hours after application, then open windows, vents and doors for 2 hours. If an odor is still detected, additional ventilation is required.

[Leaves no unpleasant odor For best results on fleas use in conjunction with (flea killer product name) (Bengal Full Season Flea Killer Plus)]
