Subject: Label Notification per PRN 98-10 – Add Signal Word to Precautionary Statement
Product Name: BENGAL INDOOR DRI-FOGGER II
EPA Registration Number: 68543-2
Application Date: January 16, 2015
Decision Number: 499209

Dear Mr. Orman:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

If you have any questions, you may contact Maggie Rudick at 703-347-0257 or via email at rudick.maggie@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", enclosed within a large, hand-drawn oval.

Kable Bo Davis, Product Manager 3
Invertebrate & Vertebrate Branch 1
Registration Division (7505P)
Office of Pesticide Programs

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid contact with eyes or clothing. Wear long-sleeved shirt and long pants, and socks and shoes. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Breathing spray mist may be harmful.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not

puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Never leave container in parked or unattended vehicles.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present, or to inter-tidal areas below the mean high water mark. See Directions for Use for additional precautions and requirements.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply this product only as specified on this label.

Does not control bed bugs.

For use indoors in Apartments, Attics, Basements, Boats, Cabins, Closed Porches, Condominiums, Garages, Homes, Kitchens, Pet Sleeping Areas, and Rooms.

GENERAL PRECAUTIONS: Do not enter or allow others to enter the treated area until the sprays have dried.

Do not allow people or pets to enter treated areas until vapors, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated.

Wait two (2) hours after application, then open windows, vents and doors for two hours. If an odor is still detected, additional ventilation is required.

Remove pets, birds, and cover fish aquariums and ornamental fish ponds before spraying, and turn aquarium systems off.

TO USE THIS PRODUCT CORRECTLY: DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. X 5 ft. or smaller; instead, allow fog to enter from other rooms.

NOTIFICATION

68543-2

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

02/02/2015

BEFORE YOU FOG: In the home, do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.

Close exterior doors and windows. Shut off fans, air conditioners, and ventilation equipment. Place a chair, small table or stand in the center of the room to be treated and cover with newspaper. Cover wood floors and wood furniture in the immediate area around fogger with newspapers. Open cabinets, cupboards, drawers, closets and interior doors within the treatment area.

[One 3 oz. canister of fogger will treat a room up to 24 ft. x 25 ft. with an 8 foot ceiling.]

[One 5 oz. canister of fogger will treat a room up to 25 ft. x 40 ft. with an 8 foot ceiling.]

Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.

TO START FOGGING: To start fogging press down actuator tab to locked position. Keep it at arm's length when activating. Point top of can away from face and eyes. Set in upright position on the newspaper. **Vacate the treated house, individual apartment unit or other structure immediately. Do not reenter for two hours.**

AIRING OUT: Do not re-enter for two (2) hours after application, then open windows, vents and doors for 2 hours. If an odor is still detected, additional ventilation is required.

[Leaves no unpleasant odor. For best results on fleas, use in conjunction with (flea killer product name) (Bengal Full Season Flea Killer Plus).]

[GUARANTEE - If you are not completely satisfied with this Bengal product, call 225-753-1313 weekdays, 8:30 am - 4:00 pm central time.]

[TREATS UP TO 8,000 CUBIC FEET [for 5 oz can]]

[TREATS UP TO 4,800 CUBIC FEET [for 3 oz can]]

[TREATS UP TO 9,600 CUBIC FEET [for 3 oz twin pack]]

[TREATS UP TO 14,400 CUBIC FEET [for 3 oz triple pack]]

[Each can] [Treats 600 sq. ft. with 8 ft. ceilings [for 3 oz can]]

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling : Do not puncture or incinerate! Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.
