DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use in Households, Schools, Warehouses, Office Buildings, Theaters, Garages, Hotels, Motels, and Kennels.

SHAKE WELL BEFORE USE:

TO KILL COCKROACHES, ANTS, CRICKETS, SOWBUGS, CENTIPEDES AND SPIDERS: Contact as many insects as possible with the spray. Spray kitchens and baths. Also thoroughly spray all parts of the room suspected of infestation. Attention should be paid to cracks, crevices, hidden voids under sinks, cabinet points such as doors, windows, vents, pipes, etc.

TO KILL FLYING INSECTS (mosquitoes, houseflies and gnats): Close room with a sweeping arm motion 3 feet from surfaces. Spray 10 seconds for each treated area. Close doors and windows for at least 30 minutes after spraying. Ventilate area before re-occupancy.

TO KILL FLEAS AND BROWN DOG TICKS: Remove and destroy pet bedding of pets, around baseboards, windows and door frames, wall cracks and ledges. If necessary, DO NOT SPRAY ANIMALS. Old bedding should be removed and replaced after treatment. Also treat dogs and cats with a flea and tick control product before allowing them to enter treated area.

[TO KILL LICE AND LICE EGGS: Test in an inconspicuous area for staining. Dry and inspect article for discoloration. Hold container in an upright position. Spray entire surface from a distance of 18" to 24" until slightly damp (do not wet). Spray only garments, bedding, drapery, carpets, rugs and furniture that can be cleaned. Allow treated surfaces to thoroughly dry before using or allowing occupancy.

Storage and Disposal

Storage: Store in a cool area away from heat or open flame.

Disposal: Securely wrap original container in several layers of newspaper.

Precautionary Statements

Hazard to Humans and Domestic Animals

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors, skin, eyes or clothing. Do not use in commercial food processing or preparation areas. Food processing surfaces and utensils should be covered during treatment or the area should be cleaned. Remove pets, birds and cover aquariums before using.

[This product is not for use on humans. Use Bengal Lice Control Body & Lice Control Shampoo on humans.]

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate. Equipment due to the possibility of shock hazard. Do not puncture or incinerate. Temperatures above 130°F may cause bursting.

Statements of Practical Treatment

IF ON SKIN: Wash with soap and plenty of water. Get medical attention if irritation occurs.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation occurs.

IF INHALED: Remove to fresh air. Apply artificial respiration if indicated.

IF SWALLOWED: Call physician or poison control center.
