Net Wt. 3 - 3oz. cans = 9 oz. (255.2 g.)

Do not remove cans from carton except for immediate use

TREATS 18,000 CUBIC FEET (2,250 sq. ft. with 8 ft. ceiling)

Precautionary Statements
Hazards to Humans and Domestic Animals
CAUTION

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. May be used in inedible (non-food) areas of commercial food processing or preparation areas. Not for use in USDA meat and poultry plants. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. Remove pets, birds and cover aquariums before using. Remove all motor vehicles before using in garages.

FIRST AID

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 - 20 minutes.
- Call a physician or poison control center for treatment advice.

IF SWALLOWED:

- Call poison control center or doctor immediately for treatment advice.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

KILLS COCKROACHES, FLEAS, PRE-ADULT FLEAS, TICKS, ANTS, SPIDERS, LICE AND LICE EGGS, DUST MITES, PALMETTO BUGS, MOSQUITOES, FLIES, GNATS, SILVERFISH, CRICKETS, BEDBUGS, CLOTHES MOTHS, GRANARY WEEVILS, SCORPIONS, CENTIPEDES, WATERBUGS, WHITEFLIES, WASPS, HORNETS AND BEES

For Use In Homes, Apartments, Attics, Basements, Boats, Cabins, Campers, Garages, Household Storage Areas, Kennels, Washrooms and the Non-Food/Feed Areas of Restaurants, Hospitals, Hotels, Industrial Buildings, Offices, Motels, Preschools, Schools, Box Cars, Closed Barns, Horse Stables, Theatres, Trucks and Warehouses.

One Unit Treats up to 6,000 cubic feet.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. FOR USE ONLY WHEN BUILDING HAS BEEN VACATED BY HUMAN BEINGS AND PETS. Use one canister for each 6,000 cu. ft. of unobstructed area. Example: 25' long x 24' wide x 10' high = 6,000 cu. ft.

PREPARATION: All food processing surfaces should be covered immediately prior to treatment or thoroughly cleaned after treatment. Close exterior doors and windows. Open cabinets and interior doors within the treatment area. DO NOT use more than one fogger per room. DO NOT use in small enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. X 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

TO START FOGGING: Fogger should be placed on the floor in the middle of the room. Place newspapers under the can to prevent marring surfaces. To start fogging press down actuator tab to locked position. Keep it at arm's length when activating. Point top of can away from face and eyes. Set in upright position and leave the building at once. Leave undisturbed for 2 hours. Open doors and windows and allow to air for 1 hour.

Do not use in food/feed handling establishments, restaurants, or other areas where food/feed is commercially prepared or processed. Do not use in serving area while food is exposed or facility is in operation. Serving areas are areas where food is served, such as dining rooms, but excluding areas where food may be prepared or held. Non-food/feed areas of food/feed areas are areas such as garbage rooms, lavatories, floor drains (to sewer entries and vestibules), offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning and bottling).

Federal law prohibits the use of CFC propellants in aerosols.

GUARANTEE - If you are not completely satisfied with this Bengal product, call 225-753-1313 weekdays, 8:30 am - 4:00 pm central time.
