Name of Pesticide Product:
Bengal Dry Powder
Roach Spray II

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Bengal Chemical, Inc.
13739 Airline Highway
Baton Rouge, LA 70817

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 68543-12"
 - b. Change "Federal Law" to "Federal law".

Signature of Approving Official:

Date:

EPA Form 8570-6

Net Weight _____ oz. (_____ grams)

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

MANUFACTURED FOR
BENGAL CHEMICAL INC.

P.O. Box 40487

Baton Rouge, LA 70835

EPA REG. NO. 68543-12 EPA EST. NO. _____

ODORLESS • NON-STAINING

Contains no CFCs or other ozone depleting substances.

Federal regulations prohibit CFC propellants in aerosols.

The dry powerful spray penetrates deep into cracks and crevices to drive
roaches out to die. Kills insects you see and those you don't.

Powerful flushing action drives insects out of hiding and kills them.

Dry spray carries the killing ingredient to the roaches.

One treatment does it all - Flushes and Kills.

GUARANTEE: If you are not completely satisfied with this Bengal
Product, call 504-753-1313 weekdays 8:30am - 4:00pm Central Time.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner
inconsistent with its labeling. For use in Households, Schools,
Warehouses, Office Buildings, Theaters, Garages, Hotels, Motels, Buses
and Kennels. In the home, all food processing surfaces and utensils should
be covered during treatment or thoroughly washed before reuse. Exposed
food should be covered or removed. Do not use in commercial food/feed
handling establishments, restaurants or other areas where food/feed is
commercially prepared or processed.

ATTACH EXTENSION TUBE TO SPRAY ACTUATOR:

TO KILL COCKROACHES, ANTS AND CRICKETS: Spray into
hiding places such as cracks & crevices, behind sinks, cabinets, along
baseboards and floors, and hidden surfaces around sinks and storage area
behind baseboards, around doors and windows, behind and under
refrigerators, cabinets, sinks and stove and in attics and crawl spaces. For
ants, spray around ant trails, doors and windows, and other places where
ants enter premises.

TO KILL FLYING INSECTS (mosquitoes, houseflies and gnats):

Close space to be treated. Spray above head with a sweeping arm motion
3 feet from surfaces. Spray 5 seconds per 1000 cubic feet of space. Keep
treated areas closed for at least 30 minutes after spraying. Ventilate area
before re-entry. Repeat as necessary.

TO KILL SOWBUGS, CENTIPEDES, SILVERFISH, FIREBRATS

AND SPIDERS: Contact as many insects as possible with the spray. Also
thoroughly spray all parts of the rooms suspected of harboring these pests.
Special attention should be paid to cracks and crevices, hidden surfaces,
under sinks and behind refrigerators. Treat surfaces where spider webs are
seen to kill spiders and keep spiders from building webs for up to 30 days.

TO KILL WASPS, BEES AND HORNETS: Spray nests, flying wasps,
hornets and bees directly with the product. For nests in enclosed areas
hidden from direct spray, fog the enclosed area by spraying into the
opening for 5 seconds in the late evening after insects have returned to the
nest. Seal off access to the nest after spraying if possible. Wait at least two
hours then open and ventilate the area. Do not use in enclosed areas where
humans or animals will remain. Wear protective clothing if deemed
necessary to avoid stings.

TO KILL FLEAS, BROWN DOG TICKS AND DEER TICKS:

Remove and thoroughly clean or destroy pet bedding. Spray pet sleeping

9/24/96

quarters, bed, entire floor and floor covering, with special attention to cracks and crevices around baseboards, and window and door frames. **DO NOT SPRAY ANIMALS.** Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to enter the treated area.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Statements of Practical Treatment

IF ON SKIN: Wash with plenty of soap and water **IF IN EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists. **IF SWALLOWED:** Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Storage and Disposal

Storage: Store in a cool area away from heat or open flame.

Disposal: This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label. Do not puncture! If recycling is not available, wrap container and discard in the trash.
