Conditional

Name of Pesticide Product:

Bengal
Roach and Ant Spray
III

NOTICE OF PESTICIDE:

 X Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Jack A. Orman
Bengal Chemical Inc.
13739 Airline Highway
Baton Rouge, LA 70817

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c) (7) (A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c) (5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 68543-16".
- b. Move the Storage and Disposal Instructions to the Directions for Use.
- c. Modify the Storage and Disposal Instructions to read as follows:
Do not contaminate water, food or feed by storage and disposal.
Storage: Store in a cool, locked area away from heat or open flame and inaccessible to children.
Container Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use in Households, Schools, Warehouses, Office Buildings, Theaters, Garages, Hotels, Motels, and Kennels.

SHAKE WELL BEFORE USE:

Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

TO KILL COCKROACHES, ANTS, CRICKETS, SOWBUGS, CENTIPEDES, SILVERFISH, FIREBRATS AND SPIDERS: Contact as many insects as possible with the spray. Spray along the baseboards and in the kitchens and baths. Also thoroughly

spray all parts of the room suspected of harboring these pests. Special attention should be paid to cracks, crevices, hidden voids under sinks, cabinets and refrigerators, and to points such as doors, windows, vents, pipes, etc.

TO KILL FLYING INSECTS (mosquitoes, houseflies and gnats): Close space to be treated. Spray above head with a sweeping arm motion 3 feet from surfaces. Spray 10 seconds for each 1000 cubic feet of space. Keep treated areas closed for at least 30 minutes after spraying. Ventilate area before re-entry. Repeat as necessary.

TO KILL FLEAS AND BROWN DOG TICKS: Remove and destroy pet's old bedding. Spray sleeping quarters of pets, around baseboards, windows and door frames, wall cracks and local areas of floors. Repeat as necessary. DO NOT SPRAY ANIMALS. Old bedding should be removed and replaced with clean fresh bedding after treatment. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to enter treated area.

Precautionary Statements

Hazard to Humans and Domestic Animals

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Wash thoroughly with soap and water after handling. Avoid breathing vapors. Remove contaminated clothing and wash clothing before reuse. Avoid contact with skin, eyes or clothing. Remove pets, birds and cover aquariums before using.

Statements of Practical Treatment

IF ON SKIN: Wash with soap and plenty of water. Get medical attention if irritation persists.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

IF INHALED: Remove to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

IF SWALLOWED: Call physician or poison control center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Storage and Disposal

Store in a cool area away from heat or open flame. Do not contaminate water, food or feed by storage and disposal. Securely wrap original container in several layers of newspaper and discard in trash.
