	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number: 68543-19	Date of Issuance: NOV 19 1997
	NOTICE OF PESTICIDE: <u> X </u> Registration <u> </u> Reregistration	Term of Issuance: Conditional	
		Name of Pesticide Product: Bengal Dry Roach Spray 2	
(under FIFRA, as amended)			
Name and Address of Registrant (include ZIP Code): Bengal Chemical Inc. 13739 Airline Hwy. Baton Rouge, LA 70817			
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.			
On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you: 1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4. 2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 68543-19". 3. Submit two copies of the revised final printed label for the record. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

EPA REG. NO. 68543-19 EPA EST. NO. _____

ODORLESS • NON-STAINING

Contains no CFCs or other ozone depleting substances.

Federal regulations prohibit CFC propellants in aerosols.

The dry powerful spray penetrates deep into cracks and crevices to drive roaches out to die. Kills insects you see and those you don't.

Powerful flushing action drives insects out of hiding and kills them.

Dry spray carries the killing ingredient to the roaches.

One treatment does it all - Flushes and Kills.

GUARANTEE: If you are not completely satisfied with this Bengal Product, call 504-753-1313 weekdays 8:30am - 4:00pm Central Time.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use in Households, Schools, Warehouses, Office Buildings, Theaters, Garages, Hotels, Motels, Buses and Kennels. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before reuse. Exposed food should be covered or removed. Do not use in commercial food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not apply this pesticide when classrooms are in use. Extinguish pilot lights before spraying around gas appliances.

ATTACH EXTENSION TUBE TO SPRAY ACTUATOR:

TO KILL COCKROACHES, ANTS AND CRICKETS: Spray into hiding places such as cracks & crevices, behind sinks, cabinets, along baseboards and floors, and hidden surfaces around sinks and storage areas, behind baseboards, around doors and windows, behind and under refrigerators, cabinets, sinks and stove and in attics and crawl spaces. For ants, spray around ant trails, doors and windows, and other places where ants enter premises.

TO KILL FLYING INSECTS (mosquitoes, houseflies and gnats):

Close space to be treated. Spray above head with a sweeping arm motion 3 feet from surfaces. Spray 5 seconds per 1000 cubic feet of space. Vacate area. Keep treated areas closed for at least 30 minutes after spraying.

Ventilate area before re-entry. Repeat as necessary.

TO KILL SOWBUGS, CENTIPEDES, SILVERFISH, FIREBRATS AND SPIDERS: Contact as many insects as possible with the spray. Also thoroughly spray all parts of the rooms suspected of harboring these pests. Special attention should be paid to cracks and crevices, hidden surfaces, under sinks and behind refrigerators. Treat surfaces where spider webs are seen to kill spiders and keep spiders from building webs for up to 30 days.

TO KILL WASPS, BEES AND HORNETS: Spray nests, flying wasps, hornets and bees directly with the product. For nests in enclosed areas hidden from direct spray, fog the enclosed area by spraying into the opening for 5 seconds in the late evening after insects have returned to the nest. Seal off access to the nest after spraying if possible. Wait at least two hours then open and ventilate the area. Do not use in enclosed areas where humans or animals will remain. Wear protective clothing if deemed necessary to avoid stings.

TO KILL FLEAS, BROWN DOG TICKS AND DEER TICKS:

Remove and thoroughly clean or destroy pet bedding. Spray pet sleeping quarters, bed, entire floor and floor covering, with special attention to cracks and crevices around baseboards, and window and door frames. **DO NOT SPRAY ANIMALS.** Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to enter the treated area.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Statements of Practical Treatment

IF ON SKIN: Wash with plenty of soap and water. **IF IN EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists. **IF SWALLOWED:** Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention.

Physical or Chemical Hazards

Flammable. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Storage and Disposal

Storage: Store in a cool area away from heat or open flame.

Disposal: This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label. Do not puncture! If recycling is not available, wrap container and discard in the trash.
