Subject: Label Amendment - Registration Review Mitigation for Permethrin
Product Name: Bengal Roach Dry Spray
EPA Registration Number: 68543-20
Application Date: February 9, 2021
Decision Number: 570625
Case Number: 00482262

Dear Jack Orman,

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Permethrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Alex McKee by phone at 202-566-1939, or via email at mckee.alex@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Dana L. Friedman". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

CAUTION

KEEP OUT OF REACH OF CHILDREN

See Back Panel for Additional Precautionary Statements

ODORLESS • NON-STAINING

Contains no CFCs or other ozone depleting substances.

Federal regulations prohibit CFC propellants in aerosols.

The dry powerful spray penetrates deep into cracks and crevices to drive
roaches out to die. Kills insects you see and those you don't.

Powerful flushing action drives insects out of hiding and kills them.

Dry spray carries the killing ingredient to the roaches.

One treatment does it all - Flushes and Kills.

GUARANTEE: If you are not completely satisfied with this Bengal
Product, call 225-753-1313 weekdays 8:30am - 4:00pm Central Time.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent
with its labeling. For indoor use only.

Flammable. Turn off ALL ignition sources such as pilot lights, other open
flames or running electrical appliances that cycle off and on (i.e.,
refrigerators, thermostats, etc.)

USE RESTRICTIONS

- Do not allow adults, children, or pets to enter the treated area until
sprays have dried.
- Do not allow adults, children, or pets to enter the treated area until
vapors, mists and aerosols have dispersed, and the treated area has
been thoroughly ventilated.
- Do not apply this product in a way that will contact adults, children or
pets, either directly or through drift.
- Remove pets, birds, and cover fish aquariums before spraying.
- Application is prohibited directly into sewers or drains, or to any area
like a gutter where drainage to sewers, storm drains, water bodies, or

aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

- Not for broadcast use on indoor residential surfaces. Apply only as crack and crevice or spot treatment.
- Follow proper disposal procedures on this label. (Siga las indicaciones del etiquetado para el desecho apropiado del producto.)
- Do not allow to enter indoor or outdoor drains. (No permita la entrada a desagües internos o externos.)

INSERT EXTENSION TUBE INTO SPRAY BUTTON:

TO KILL COCKROACHES, ANTS, CRICKETS, SOWBUGS, CENTIPEDES, SILVERFISH, FIREBRATS, ASIAN LADY

BEETLES AND SPIDERS: Spray into hiding places such as cracks & crevices, behind sinks, cabinets, and hidden surfaces around sinks and storage areas, behind baseboards, behind and under refrigerators, cabinets, sinks and stove and in attics and crawl spaces. Retreat every 4 weeks if necessary.

DO NOT SPRAY ANIMALS OR PET FOOD. Do not use around kittens less than 12 weeks of age.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Physical or Chemical Hazards

Flammable. Contents under pressure. Keep away from fire, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Never leave container in parked or unattended vehicles. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the “Directions for Use” on this label very carefully.

FIRST AID

IF SWALLOWED

- Call a physician or poison control center immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a physician or poison control center.
- Do not give anything by mouth to an unconscious person.

IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a physician or poison control center immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal. Do not pour or dispose down-the-drain or sewer.

Storage: Store in a cool area away from heat or open flame.

Disposal: Replace cap. Do Not Incinerate or Puncture!

If empty: Offer for recycling, if available. Before offering for recycling, empty the can by using the product according to the label. Do not puncture! If recycling is not available, discard in the trash.

If partially filled: Call your local solid waste Agency for local disposal options. Unless otherwise instructed, place in the trash.
