For Use In Homes, Apartments, Attics, Basements, Boats, Cabins,  
Campers, Garages, Household Storage Areas, Kennels, Washrooms and  
the Non-Food/Feed Areas of Restaurants, Hospitals, Hotels, Industrial  
Buildings, Offices, Motels, Preschools, Schools, Box Cars, Closed Barns,  
Horse Stables, Home Greenhouses, Theatres, Trucks, Warehouses,  
Atriums, Closed Porches, Mobile Homes, Recreational Vehicles and Tents.

One Unit Treats up to 6,000 cubic feet. [12000 cu. ft. for 5.4 oz. size]

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For Use Only When Building Has Been Vacated By Human Beings and Pets. May be used in inedible (non-food) areas of commercial food processing or preparation areas. Not for use in USDA meat and poultry plants. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. Remove pets, birds and cover aquariums before using. Remove all motor vehicles before using in garages. Do not use in aircraft.

Use one canister for each 6,000 cu. ft. [12000 cu. ft. for 5.4 oz. size] of unobstructed area. Example: 25' long x 24' wide x 10' high = 6,000 cu. ft. [2.7 oz. size]

Example: 40' long x 30' wide x 10' high = 12,000 cu. ft. [5.4 oz. size]

**PREPARATION:** All food processing surfaces should be covered immediately prior to treatment or thoroughly cleaned after treatment. Close exterior doors and windows. Open cabinets and interior doors within the treatment area. DO NOT use more than one fogger per room. DO NOT use in small enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. X 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

**TO START FOGGING:** Fogger should be placed on the floor in the middle of the room. Place newspapers under the can to prevent marring surfaces. To start fogging press down actuator tab to locked position. Keep it at arm's length when activating. Point top of can away from face and eyes. Set in upright position and leave the building at once. Leave undisturbed for 2 hours. Open doors and windows and allow to air for 1 hour.

Do not use in food/feed handling establishments, restaurants, or other areas where food/feed is commercially prepared or processed. Do not use in serving area while food is exposed or facility is in operation. Serving areas are areas where food is served, such as dining rooms, but excluding areas where food may be prepared or held. Non-food/feed areas of food/feed areas are areas such as garbage rooms, lavatories, floor drains (to sewer entries and vestibules), offices, locker rooms,

4/fe

machine rooms, boiler rooms, garages, mop closets and storage (after canning and bottling).

**Precautionary Statements**  
**Hazards to Humans and Domestic Animals**

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID**

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor.

**IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eyelids open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

Highly Flammable Ingredient  
Ingrediente Altamente Inflamable

**STORAGE AND DISPOSAL**

**Storage:** Store in a cool area away from heat or open flame.  
**Disposal:** Do not reuse empty container. Do not puncture or incinerate. Wrap container and put in trash collection.

**GUARANTEE** - If you are not completely satisfied with this Bengal product, call 225-753-1313 weekdays, 8:30 am - 4:00 pm central time.

Federal law prohibits the use of CFC propellants in aerosols.
