Subject: Label Amendment - Registration Review Mitigation for Permethrin
Product Name: Bengal Product 21
EPA Registration Number: 68543-21
Application Date: February 9, 2021
Decision Number: 570626
Case Number: 00479616

Dear Jack Orman,

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Permethrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Alex McKee by phone at 202-566-1939, or via email at mckee.alex@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Dana L. Friedman". The signature is fluid and cursive, with the first name "Dana" and last name "Friedman" clearly legible.

Dana L. Friedman, Chief
Risk Management and Implementation Branch 1
Pesticide Re-Evaluation Division
Office of Pesticide Programs
U.S. Environmental Protection Agency

ENCLOSURE: Stamped label

ACCEPTED

Apr 23, 2025

Under the Federal Insecticide, Fungicide
and Rodenticide Act as amended, for the
pesticide registered under
EPA Reg. No. 68543-21

BENGAL PRODUCT 21

- [] identifies optional statements
- [Dry Fog • No Odor • No Mess]
- [Penetrates Deeper to Kill More Bugs]
- [Controls Heavy Infestations]
- [Kills Hidden Bugs]
- [Kills Bugs Where They Hide]
- [Concentrated to Kill More Hidden Bugs]
- [Kills 24+ Types of Insects]

ACTIVE INGREDIENT:

Permethrin (CAS Reg. No. 52645-53-1)	2.0%
OTHER INGREDIENTS	98.0%
TOTAL	100.0%

EPA REG. NO. 68543-21

EPA EST. NO. 58996-MO-1

CAUTION

KEEP OUT OF REACH OF CHILDREN

See side panels for additional precautionary statements

NET WT. 3 - 2.7 oz. CANS = 8.1 oz. (229.6 g.)

3 Cans treat up to 18,000 cu. Ft. (2250 sq. ft. with 8 ft. ceiling)

Precautionary Statements Hazards to Humans and Domestic Animals

Causes moderate eye irritation. Harmful if swallowed or absorbed through
skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap
and water after handling and before eating, drinking, chewing gum, using
tobacco or using the toilet.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20
minutes. Remove contact lenses, if present, after the first 5 minutes, then
continue rinsing. Call a poison control center or doctor for treatment advice.
IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with
plenty of water for 15-20 minutes. Call a poison control center or doctor for
treatment advice.

IF SWALLOWED:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control
center or going for treatment. You may also contact 1-800-222-1222 for
emergency medical information.

PHYSICAL OR CHEMICAL HAZARDS

CAUTION. Contents under pressure. Do not use or store near heat or open
flame. Do not puncture or incinerate container. Exposure to temperatures
above 130° F may cause bursting. This product contains a highly flammable
ingredient. It may cause a fire or explosion if not used properly. Follow the
"Directions for Use" on this label very carefully.

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product
in a manner inconsistent with its labeling. For Indoor Use Only.

User Restrictions:

- Remove pets, birds and cover aquariums before using. Remove all motor
vehicles before using in garages.
- Wait two (2) hours after application, then open windows, vents and
doors for two hours. If an odor is still detected additional ventilation is
required.
- DO NOT use more than one fogger per room.

- DO NOT use in small enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. X 5 ft. or smaller; instead, allow fog to enter from other rooms. Use of a fogger in an enclosed space may cause the product to explode, resulting in injury to people or damage to property.
- Use one canister for each 6,000 cu. ft. [12000 cu. ft. for 5.4 oz. size] of unobstructed area. Example: 25' long x 24' wide x 10' high = 6,000 cu. ft. [2.7 oz. size]
- Example: 40' long x 30' wide x 10' high = 12,000 cu. ft. [5.4 oz. size]
- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Follow proper disposal procedures on this label. (Siga las indicaciones del etiquetado para el desecho apropiado del producto.)
- Do not allow to enter indoor or outdoor drains. (No permita la entrada a desagües internos o externos.)

To Use This Product Correctly:

Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.

Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

BEFORE YOU FOG: All food processing surfaces should be covered immediately prior to treatment or thoroughly cleaned after treatment. Close exterior doors and windows. Open cabinets and interior doors within the treatment area.

TO START FOGGING: Fogger should be placed on the floor in the middle of the room. Place newspapers under the can to prevent marring surfaces. To start fogging press down actuator tab to locked position. Keep it at arm's length when activating. Point top of can away from face and eyes. Set in upright position on the paper. **Vacate the treated house, individual apartment unit or other structure immediately.**

AIRING OUT: Do not re-enter for two (2) hours after application, then open windows, vents and doors for two hours. If an odor is still detected additional ventilation is required.

Do not use in food/feed handling establishments, restaurants, or other areas where food/feed is commercially prepared or processed.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Container Handling: Replace cap and discard container in trash. Do Not Incinerate or Puncture!

If empty: Offer for recycling, if available. Before offering for recycling, empty the can by using the product according to the label. Do not puncture! If recycling is not available, discard in the trash.

If partially filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste Agency for local disposal options. Unless otherwise instructed, place in the trash.

GUARANTEE - If you are not completely satisfied with this Bengal product, call 225-753-1313 weekdays, 8:30 am - 4:00 pm central time.

[Federal law prohibits the use of CFC propellants in aerosols.]
