Subject Amended Reregistration Label
Product Name Bengal Full Season Flea Killer Plus 2
EPA Registration Number 68543 23
EPA Decision Number 436082 and 427162

Dear Mr Orman

The Agency in accordance with the Federal Insecticide Fungicide and Rodenticide Act (FIFRA) as amended has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the phenothrin and tetramethrin REDs and has concluded that your submission is acceptable

NOTE This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time

Please be reminded that 40 CFR Part 156 140(a)(4) requires that a batch code lot number or other code identifying the batch of the pesticide distributed and sold be placed on non refillable containers The code may appear either on the label or durably marked on the container itself and can be added by non notification per PRN 98 10

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below Any previously dated CSFs are superseded

Basic CSF dated 3/7/12

A copy of your label stamped Accepted is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product Products shipped after 12 months from the date of this amendment or the next printing of the label whichever

occurs first must bear the new revised label Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions If these conditions are not complied with the registration will be subject to cancellation in accordance with FIFRA sec 6(e)

If you have any questions about this letter please contact Dr Jennifer Urbanski at 703 347 0156 or urbanski.jennifer@epa.gov

Sincerely

Richard J Gebken

NET WT 16 oz (454 gr)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

USE RESTRICTIONS

- Do not apply when food is present Cover or removed exposed food Cover all food preparation surfaces and utensils during treatment or thoroughly wash surfaces and utensils before use
- Remove pets and birds and cover fish aquariums before spraying and turn aquarium systems off

- Do not enter or allow others to enter the treated area until sprays have dried
- Do not apply this product in a way that will contact adults children or pets either directly or through drift
- Do not allow people or pets to enter treated areas until vapors mists and aerosols have dispersed and the treated area has been thoroughly ventilated
- Wait two (2) hours after application then open windows vents and doors for two hours If an odor is still detected additional ventilation is required

FOR INDOOR RESIDENTIAL USE ONLY

FULL SEASON FLEA KILLER PLUS 2 kills fleas and ticks It contains a combination of ingredients that kills adult preadult fleas [larva] and flea eggs Even kills fleas before they grow up to bite Pyriproxyfen continues to kill fleas for 210 days [7 months] by preventing their development into the adult biting stage It reaches fleas hidden in carpets rugs drapes upholstery pet bedding and floor cracks Protects your home from reinfestation and flea buildup and your pets and family from bites One treatment with this spray gives continuous flea protection for 210 days Leaves no objectionable odor or sticky mess and used as directed does not stain furnishings

FLEAS & TICKS SHAKE WELL Turn container upside down and point valve toward surface to be sprayed Be sure to apply uniformly using a sweeping motion to carpets rugs drapes and all surfaces of upholstered furniture Be sure to treat pet bedding as this is a primary hiding place for fleas No need to remove pet bedding after treatment

DO NOT TREAT PETS Use a registered flea control product on your pets in conjunction with this treatment Avoid wetting furniture and carpeting A fine mist or spray applied uniformly is all that is necessary to kill fleas and ticks

Do not apply more than 1 time per week to the same surface

ACCEPTED

JUL 12 2017

**Under the Federal Insecticide, Fungicide,
and Rodenticide Act as amended for the
pesticide registered under**

EPA Reg No 68543-23
