AND POLLUTION PREVENTION

February 12, 2013

Mr. Jack Orman
Bengal Pet Products, Inc.
13739 Airline Hwy.
Baton Rouge, LA 70817

Subject: Notification for Minor label Change
EPA Registration Number: 68543-23
Decision: 471051

Dear Mr. Orman:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration (PRN) 98-10 dated December 20, 2012, for the abovementioned product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions regarding this letter, please contact Driss Benmhend at (703) 308-9525.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard J. Gebken".

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

Enclosures: Copy of Label Stamped "Notification"

Please read instructions on reverse before completing form.

Subject: Revise label according to PR98-10, add Guarantee
Bengal Full Season Flea Killer Plus 2
EPA Reg. No. 68543-23

Dear Sir,

I recently noticed that the Guarantee statement was inadvertently left off the latest approved label for this product, which was stamped on July 12, 2012. I am adding the guarantee back to the label by notification.

The only change to the label is the guarantee, which on the front panel above the active ingredients and the text is italicized and underlined. Otherwise, the label is identical to the latest approved version. This same guarantee statement has previously been on approved labels for this product. Enclosed is a copy of the updated label.

If you have any questions or need further information, please contact me by phone or email, JORMAN@BENGAL.COM.

Sincerely,

Jack Orman
Technical Director

BENGAL
FULL SEASON FLEA KILLER PLUS 2

- Remove pets and birds and cover fish aquariums before spraying and turn aquarium systems off.
- Do not enter or allow others to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Do not allow people or pets to enter treated areas until vapors, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated.
- Wait two (2) hours after application then open windows, vents and doors for two hours. If an odor is still detected, additional ventilation is required.

FOR INDOOR RESIDENTIAL USE ONLY.

FULL SEASON FLEA KILLER PLUS 2 kills fleas and ticks. It contains a combination of ingredients that kills adult, preadult fleas [larva] and flea eggs. Even kills fleas before they grow up to bite. Pyriproxifen continues to kill fleas for 210 days [7 months] by preventing their development into the adult biting stage. It reaches fleas hidden in carpets, rugs, drapes, upholstery, pet bedding, and floor cracks. Protects your home from reinfestation and flea buildup and your pets and family from bites. One treatment with this spray gives continuous flea protection for 210 days. Leaves no objectionable odor or sticky mess and, used as directed, does not stain furnishings.

FLEAS & TICKS: SHAKE WELL. Turn container upside down and point valve toward surface to be sprayed. Be sure to apply uniformly using a sweeping motion to carpets, rugs, drapes and all surfaces of upholstered furniture. Be sure to treat pet bedding, as this is a primary hiding place for fleas. No need to remove pet bedding after treatment. **DO NOT TREAT PETS.** Use a registered flea control product on your pets in conjunction with this treatment. Avoid wetting furniture and carpeting. A fine mist or spray applied uniformly is all that is necessary to kill fleas and ticks.

Do not apply more than 1 time per week to the same surface.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage

Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling

Do Not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

FIRST AID

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

- Call a poison control center or doctor immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, you may call 1-800-222-1222.
