Date of Issuance:
NOV 14 2002

Term of Issuance: **Unconditional**

Name of Pesticide Product:
Bengal Yard & Patio Spray

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Bengal Products, Inc
13739 Airline Highway
Baton Rouge, LA 70817

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5), provided that you submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. If you have any questions regarding this action, please contact Dr. William Sproat of my team at (703) 308-8587.

BENGAL YARD & PATIO SPRAY

Kills for 24 Hours
Keeps Killing As Insects Land on Treated Surfaces
Kills Crawling Insects
Kills Scorpions
Guaranteed to Work or Your Money Back

ACTIVE INGREDIENTS:

Permethrin (CAS No. 52645-53-1)	2.00%
Prallethrin (CAS No. 23031-36-9)	0.05%
OTHER INGREDIENTS:	97.95%
TOTAL	100.00%

OUTDOOR PESTS

FLYING INSECTS: To kill flies, mosquitoes, sand flies, gnats, small flying moths:

Space Treatment: Direct fog so that it drifts over the area to be treated. Spray towards bushes, trees and ornamentals from at least 4 to 6 feet away. Give special attention to breeding sites such as garbage cans and compost piles. Do not allow drift over ornamental fish pond pools. Cover if possible before treatment. For spaces such as screened-in porches, spray at the rate of 10 grams (3 seconds) per 1000 cubic feet of space. If possible, keep area closed for at least 30 minutes after spraying. Do not remain in treated area and ventilate before re-entry.

Surface Treatment: For residual control of flying insects treat screens, around window and door frames, porches, surfaces around light fixtures, ornamental bushes, in garages and other surfaces where flying insects light or gather. Hold can 2 to 3 feet from the surface to be treated and spray to slightly moisten the surface. Bengal Yard and Patio Spray will not damage plants and bushes or finished surfaces on homes or buildings.

CRAWLING INSECTS:

To kill cockroaches, ants, spiders, crickets, scorpions, sowbugs, centipedes: Contact as many insects as possible with the spray. For residual control of crawling insects on outdoor surfaces, spray where pests are active or where they may enter buildings. Special attention should be paid to cracks and crevices, window and door frames, eaves, porches, patios and garages. Hold can 2 to 3 feet from the surface to be treated and spray to slightly moisten surface but not to the point of runoff. **SPIDERS:** treat surfaces where spider webs are seen to kill spiders and prevent other spiders from building webs for up to 30 days. Direct exposure to rainfall reduces this products effectiveness.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

PHYSICAL OR CHEMICAL HAZARDS
