Squirrel Free Inc.
Subsidiary of Snyder Seed Corp
1576 Sweet Home Road
Amherst, NY 14228

Attention: Dr. Joseph A. Dunn

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(5) provided that you:

A. Make the labeling changes listed below and submit one (1) copy of final printed labeling before you release the product for shipment:

1. Add "EPA Reg. No. 68563-2" to your label.
2. On the Front Panel, place "Squirrel Free Inc."s" above "Seed Saver" and make all characters of the product name the same type size. In this way, the reader will recognize that "Squirrel Free" is your company name and not a label claim.
3. In the claim beneath your product's name, change "squirrels" to "tree squirrels".
4. Change "Contains all natural ingredients", which is prohibited by the Regulations [40 CFR 156.10(a)(5)(x)(A)] to "Contains all food grade ingredients", if this is a true statement.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE MAY 20 1997

5. Revise your "PRECAUTIONARY STATEMENTS" as follows:

PRECAUTIONARY STATEMENTS

Environmental Hazards

Do not apply directly to water. Do not contaminate water when disposing of equipment washwater or rinsate.

Since your "CAUTION" statement appears on the Front Panel, it need not be repeated here.

6. Move the "Application Directions" so that they follow the "Use Restrictions" subsection of the "DIRECTIONS FOR USE".

7. In the first sentence of your "Use Restrictions", change "squirrels" to "gray, red, and fox squirrels".

B. You will need to relabel all existing stocks in your possession with the new labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have questions about this registration, please contact Mr. Dan Peacock at 703-305-5407. A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

William W. Jacobs, PhD

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC
ANIMALS**

Caution. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Mixing Directions: Outdoors, in a protected area out of the wind, mix one part of this product with 40 parts (by weight) of the type of bird feed that you intend to apply. This ratio would be achieved if the entire contents of this package were mixed with 7.5 pounds of feed. Use a container that can be completely sealed and is large enough to facilitate mixing of this product with the amount of feed that you intend to treat. Close top of container securely and shake container thoroughly, inverting the container occasionally to promote complete.

Application Directions: Fill feeders with feed treated with product or place such feed on the ground in the manner appropriate for the species of birds that you are trying to attract and feed. Repeat use if squirrels return.

Use Restrictions: This product may be used to discourage feeding by squirrels on feeds used to attract and nourish wild birds. Feed treated with this product may be used in yards around homes and other buildings where seeds are placed in feeders or on the ground. Wear eye and face protection and rubber gloves when mixing or handling this product, and/or when loading feeds made from this product into feeders situated near or above eye level. Do not mix this product indoors or in a downwind position.

STORAGE & DISPOSAL

STORAGE: Store product and treated feed in secure container, in a dry place inaccessible to children and pets.

DISPOSAL: Do not reuse empty container. Wrap container and discard in trash.

Squirrel Free Inc.'s Seed Saver

A concentrate for treating bird feed to discourage feeding by squirrels.
Contains all natural ingredients.

ACTIVE INGREDIENTS

Capsaicin and Related Capsaicinoids* 1.08%

INERT INGREDIENTS 98.92%

TOTAL 100%

* Made from Ground Hot Peppers

KEEP OUT OF REACH OF CHILDREN

CAUTION: Strong, temporary irritant to eyes, nose and skin. Avoid contact with treated bird feed. Wash thoroughly with soap and water after handling. Do not allow children to use this product.

FIRST AID

IF IN EYES: Flush with plenty of water. Call a physician if irritation persists.

IF ON SKIN: Wash with plenty of soap and water.

See left panel for additional statements.
