1576 Sweet Home Road  
Amherst, NY 14228

Attention: Dr. Joseph A. Dunn

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(5) provided that you:

A. Make the labeling changes listed below and submit one (1) copy of final printed labeling before you release the product for shipment:

1. Add "EPA Reg. No. 68563-3" to your label.
2. On the Front Panel, place "Squirrel Free Inc.'s" above "Suet with Pepper Treat™" and make all characters of the product name the same type size. In this way, the reader will recognize that "Squirrel Free" is your company name and not a label claim.
3. In the claim beneath your product's name, change "squirrels" to "tree squirrels".
4. Change "Contains all natural ingredients", which is prohibited by the Regulations [40 CFR 156.10(a)(5)(x)(A)] to "Contains all food grade ingredients", if this is a true statement.

5. Revise your "PRECAUTIONARY STATEMENTS" as follows:

PRECAUTIONARY STATEMENTS

Environmental Hazards

Do not apply directly to water. Do not contaminate water when disposing of equipment washwater or rinsate.

Since your "CAUTION" statement appears on the Front Panel, it need not be repeated here.

- 6. Move the "Application Directions" so that they follow the "Use Restrictions" subsection of the "DIRECTIONS FOR USE".
- 7. In the first sentence of your "Use Restrictions", change "squirrels" to "gray, red, and fox squirrels".
- 8. In your "Use Restrictions", delete "Do not allow children to apply this product." since it also appears under "CAUTION", the same location where it appears on the labels of similar products.

B. You will need to relabel all existing stocks in your possession with the new labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have questions about this registration, please contact Mr. Dan Peacock at 703-305-5407. A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

William W. Jacobs, PhD  
Product Manager (14)  
Insecticide-Rodenticide Branch  
Registration Division (H7504C)

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC  
ANIMALS**

**Caution.** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Application Directions:** Place product in suet dispensers where use by squirrels has been or is likely to be a problem. Replace suet if it is depleted by birds. Repeat use of treated suet if squirrels return.

**Use Restrictions:** This product consists of suet that has been treated to discourage feeding by squirrels. This product may be used in yards around homes and other buildings where seeds are placed in feeders or on the ground. Wear rubber gloves when handling this product and avoid touching eyes and face until you have removed gloves and washed your hands. Do not allow children to apply this product.

**STORAGE & DISPOSAL**

**STORAGE:** Store product in secure container, in a dry place inaccessible to children and pets.

**DISPOSAL:** Do not reuse empty container. Wrap container and discard in trash.

**Squirrel Free Inc.'s Suet with Pepper Treat™**

Suet that has been treated to discourage feeding by squirrels.  
Contains all natural ingredients.

**ACTIVE INGREDIENTS**
