UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Biopesticides and Pollution Prevention Division (7511C)

1200 Pennsylvania Avenue NW Washington, DC 20460

EPA Reg. Number:

Date of Issuance:

68660-9

NOTICE OF PESTICIDE:

X Registration

Reregistration

(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

PAK27™ Algaecide

Name and Address of Registrant (include ZIP Code):

SOLVAY INTEROX, INC. 3333 Richmond Avenue Houston TX 77098

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration does not eliminate the need for continual reassessment of the pesticide. If EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided you:

- 1. Submit and/or cite all data required for registration/reregistration of your product under Sec3 (c) (5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Sec.4.
- 2. Revise the EPA Registration Number to read "EPA Reg. No. 68660-9.
- 3. Submit two (2) copies of your final printed label to the Agency before you release the product for shipment.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS DANGER: Corrosive

Causes severe eye damage and skin irritation. Do not get in eyes, on skin, or clothing. Harmful if swallowed or inhaled. Avoid breathing dust. Wear protective eyewear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. When prolonged or frequently repeated contact could occur, use chemically resistant gloves and full body clothing.

PHYSICAL AND CHEMICAL HAZARDS
Oxidizing agent. Contact with combustible materials
may cause fire.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For control of blue-green algae in lakes, ponds and drinking water reservoirs.

Apply 3.0 to 16.9 pounds per acre-foot (9.0 to 51.9 pounds per million gallons) over the surface of water (equivalent to 0.3 to 1.7 ppm peroxide) by broadcasting or use of mechanical spreader.

Note: Algae control is more easily achieved soon after growth starts. Larger amounts of product may be needed to treat heavy blooms. As low as 2.5 pounds per acre-foot can be used for algaestatic treatment.

Precaution: Decaying algae can deplete dissolved oxygen and lead to fish kill, if excessive. Apply with 8 to 10 hours of daylight remaining. Do not reapply within 48 hours. If treating a large lake or heavy bloom, treat 1/3 to ½ of water area first and wait 2 to 3 days before treating remainder of water.

PAK27[™] Algaecide

ACTIVE INGREDIENT:	
Sodium carbonate peroxyhydrate	. 85%
OTHER INGREDIENTS	
Total	100%

KEEP OUT OF REACH OF CHILDREN

DANGER: Corrosive

FIRST AID						
If in eyes	- Hold eye open and rinse slowly for 15-20 minutes.					
	- Remove contact lenses, if present, after the first five					
ĺ	minutes, then continue rinsing eye.

NOT FOR SALE OR USE AFTER (6 months from mfg. date)

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE AND DISPOSAL

STORAGE

Store in original, closed container in a dry location away from heat and out of direct sunlight. Keep away from combustible material. Do not return unused product to container.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide stray mixture, or rinsate, is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Fiber drums with liners

Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment, then dispose of liner in a sanitary landfill or by incineration, if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

Bags/Plastic Pails

Completely empty container into application equipment. Triple rinse pail and offer for recycling or reconditioning Containers can also be disposed of in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
