ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not apply where run-off is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use on animals intended for slaughter.

Especially developed for use on horses & ponies. Provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. Apply by either soft cloth or fine mist spray.

FOR USE AS A SPRAY: Apply in a fine mist or fog. Use one to two ounces per animal per day. Also treat adjacent stable areas for more effective fly control. Do not wet the animal's skin. After application, brush coat to give overall coverage. Make sure that legs & ankles are treated. For face area treat as a wipe-on application.

TO WIPE ON: Rub the animal down and remove dirt. Pour a small amount (1 ounce) into a soft cloth & wipe on against the hair grain. Make sure to treat legs, belly, neck & facial areas as well as back line. Do not wet skin. After this application, brush the coat to bring out a bright sheen. Repeat as needed to kill & repel biting flies. During fly time, best protection will be given by treating animals 3 to 4 times each week.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool dry area away from heat or open flame.

DISPOSAL: Do not reuse container. Wrap and put in trash.
