READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS AND CATS

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Thoroughly soak animal with warm water taking 2-3 minutes to wet hair. Do not apply shampoo around eyes. Apply shampoo on head and ears, then lather; repeat procedure with neck, chest, middle and hind quarters, finishing legs last. Let animal stand 10 minutes (this is an important part of the grooming procedure), then rinse animal thoroughly. In extremely dirty, or scaly animals, the above procedure may be repeated. Pet bedding and quarters should be treated simultaneously with an approved product. Wash hands after handling. Do not reapply product for one week.

PRECAUTIONARY STATEMENTS

CAUTION

Hazards to Humans and Domestic Animals

Harmful if swallowed. Avoid contact with eyes. In case of contact immediately flush eyes with plenty of water. Get medical attention if irritation persists. Do not use on puppies or kittens under 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals, or animals on medication. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID

IF SWALLOWED: Drink 1 or 2 glasses of water and induce vomiting by touching the back of the throat with a finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.
