HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING

Ready to use. No mixing necessary. This water-base formulation may be applied directly with trigger spray applicator or as a wipe-on.

Kills fleas, ticks and lice on dogs. Also repels and controls house flies, stable flies, horn flies, face flies, horse flies, deer flies, mosquitoes and gnats on horses. Kills fleas and ticks around premises. Repels flies, mosquitoes and gnats for 3-5 days on horses.

DOGS

Cover animal's eyes with hands. With a firm stroke to get a proper spray mist, spray head, ears and chest until damp. With fingertips, rub into face around mouth, nose and eyes. Then spray neck, middle and hind quarters, finishing legs last. For best penetration of spray to the skin, direct spray against natural lay of the hair. On long haired animals, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Do not repeat treatment for one week. Controls fleas, ticks and lice on dogs and provides up to 28 days protection from reinfestation. Do not use on puppies under 12 weeks of age.

DOGS SLEEPING QUARTERS

Spray around baseboards, windows, door frames, wall cracks and local area of floors. Repeat as needed. The pet's bedding areas should be sprayed. Spray old bedding or replace with fresh bedding.

HORSES AND PONIES

USE AS A WIPE-ON: First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where

flies most often are seen. Only a light application is required. Avoid using an excessive amount on your horses. Do not wet skin. After application, brush thoroughly to bring out bright sheen on the coat. Repeat as required.

USE AS A SPRAY: Apply to face, legs, flanks, top line and other body areas commonly attacked by flies. Do not wet horse's skin or exceed two ounces per application. After application, brush thoroughly to bring out bright sheen on the coat. Repeat treatment as needed.

STORAGE AND DISPOSAL

STORAGE: Store in a cool area above 32°F and protect from freezing.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

In case of emergency or for product use information call (901) 362-1950, Monday- Friday, 7:30 AM - 4:30 PM, CST (distributors may elect to use their own phone numbers and hours of operation).
