UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Biopesticides and Pollution Prevention Division (7511W)
401 M Street, S.W.
Washington, DC 20460

EPA Reg. Number:

Date of Issuance:

68719-2

MAR 03 1999

NOTICE OF PESTICIDE:

[X] Registration
___ Reregistration

(under FIFRA, as amended)

Term of Issuance: Unconditional

Name of Pesticide Product:

Vita Grow Ready to Use
Rooting Compound

Name and Address of Registrant (include ZIP Code):

American Agriculture
9220 S.E. Stark Street
Portland, OR 97216

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The Food Quality Protection Act (FQPA) was signed into law on August 3, 1996. Although full implementation of FQPA has not been achieved, the Agency has no reason to believe that the registration of this product will, in any way, violate the terms of the Act. If EPA determines, as a result of the FQPA implementation process, that the decision to register this product is no longer appropriate, the Agency will consider itself free to pursue whatever action may be appropriate, including, but not limited to, reconsideration of the registration decision.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

- 1. Submit and /or cite all data required for registration/reregistration of your product under FIFRA Sec.3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Sec.4.
2. Submit five copies of the final printed labeling before you release the product for shipment.
3. Make the labeling changes listed below before you release the product for shipment:
-- Add the phrase "EPA Registration No. 68719-2".

Signature of Approving Official: See page 2 for signature of approving official

back panel

STORAGE AND DISPOSAL

STORAGE: Store at room temperatures. Keep out of direct sunlight. Place in a locked storage area. Avoid contamination of feed or foodstuffs. Store in original container.

DISPOSAL: Do not re-use this container. Rinse thoroughly and securely wrap in several layers of newspaper and discard in the trash.

back panel

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
Ready to Use. Do Not Dilute. Take a cutting from the plant. Pour Vita Grow Ready To Use Solution into a small container. Dip the stem into the solution to the desired rooting depth. Make sure at least one node is without the leaf is submerged into the compound. (See illustrations) Place the treated cutting into moist propagating media.

For propagating areas without an automatic watering/humidity control system, try to keep your cuttings in a climate bottom heated to 70-75 degrees F, with high humidity, and where the air is circulating. When propagating a small amount of cuttings use a cutting tray with a clear cover. Mist plants with water once or twice a day or use Vita Grow Ready To Use Anti Wilt.
