Washington DC, 20001

Subject: PRIA Label Amendment – Adding Sanitizer Claims
Product Name: All Purpose Cleaner with Bleach
EPA Registration Number: 68777-2
Application Date: January 26, 2017
Decision Number: 525951

Dear Ms. Rodriguez-Koster:

The application referred to above, submitted under the Federal Insecticide, Fungicide and Rodenticide Act, as amended is acceptable under FIFRA sec 3 (c)(5). You must submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

EPA Reg. No. 68777-2
Decision No. 525951

with FIFRA section 6. If you have any questions, please contact Ben Chambliss by phone at (703) 308-8174, or via email at chambliss.ben@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Fuller", with a long horizontal stroke extending to the right.

Demson Fuller, Product Manager 32
Regulatory Management Branch II
Antimicrobials Division (7510P)
Office of Pesticide Programs

Enclosure: stamped label

[Front Label]

All Purpose Cleaner with Bleach

Active Ingredient:
Sodium Hypochlorite:..... 1.84%
Other Ingredients:.....98.16%
Total:..... 100.00%
Contains no phosphorus

KEEP OUT OF REACH OF CHILDREN

WARNING:

Eye and Skin Irritant.

Use only in Well-Ventilated Areas.

See back for additional precautionary statements.

EPA Reg. No. 68777-2
EPA Est. No. 68777-NY-1

Manufactured by:
Crescent Manufacturing
10285 Eagle Drive
North Collins, NY 14111

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye damage. Do not get in eyes, or on clothing. Avoid contact with skin. Wear protective eyewear (such as goggles or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, and chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Harmful if swallowed. For prolonged use, wear gloves. Avoid breathing vapor or spray mist.

FIRST AID:

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice. **If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment. For non-emergency and general information on product use, etc., information pertaining to this product, call the National Pesticides Information Center at 1-800-858-7378 (NPIC web site: www.npic.orst.edu). For emergencies, call the Poison Control Center at 1-800-222-1222.

PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix this product with other [household] chemicals such as ammonia, toilet bowl cleaners, rust removers or acid, as this releases hazardous gases.

STORAGE AND DISPOSAL

Store away from children in a cool [dry] area, [away from direct sunlight or heat] to avoid deterioration. **PRODUCT DISPOSAL:** Product or rinsate that cannot be used must be diluted with water before disposal in a sanitary sewer. **CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. Recycle empty container or discard in trash.
