Subject: Notification per PRN 98-10 – Notification to revise cleaning claim
Product Name: Mold & Mildew Remover
EPA Registration Number: 68777-3
Application Date: May 7, 2018
Decision Number: 541058

Dear Ms. Rodriguez-Koster:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Melanie Bolden at (703) 347-0165 or via email at Bolden.Melanie@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Wanda G. H. for".

Demson Fuller, Product Manager 32

NOTIFICATION

68777-3

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

05/21/2018

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye damage. Do not get in eyes or on clothing. Avoid contact with skin. Wear protective eyewear (such as goggles and safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking and chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Harmful if swallowed. For prolonged uses, wear gloves. Avoid breathing vapor or spray mist.

FIRST AID:

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice. **If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For non-emergency and general information on product use, information pertaining to this product, etc., call the National Pesticides Information Center at 1-800-858-7378 (NPIC website: www.npic.orst.edu). For emergencies, call the Poison Control Center at 1-800-222-1222.

PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix this product with other household chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases.

STORAGE AND DISPOSAL

Store away from children in a cool [dry] area, [away from direct sunlight or heat] to avoid deterioration. **PRODUCT DISPOSAL:** Product or rinsate that cannot be used must be diluted with water before disposal in a sanitary sewer. **CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. Recycle empty container or discard in trash.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

AVOID PROLONGED BREATHING OF VAPOR

Use in well ventilated areas. Open windows and/or turn on fan(s) before use. If the vapors bother you, leave the room while this product is working. For sensitive skin or prolonged use, wear gloves. Do not mix with other cleaners.

HOUSEHOLD USE:

For applications using a trigger sprayer:

To Remove Mildew Stains: Spray 6-8 inches from surface until surface is thoroughly covered. Allow liquid to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time, or two cleanings. If excess liquid dries on nozzle, rinse with warm water.

TO DISINFECT AND KILL MOLD & MILDEW ON HARD, NONPOROUS SURFACES [such as glazed ceramic tile]: Spray surface until thoroughly wet, let stand 10 minutes [, and rinse.]

TO KILL MOLD & MILDEW ON HARD, POROUS SURFACES such as grout and cement: Spray surface until thoroughly wet, let stand 10 minutes, and rinse. [Repeat application.]

TO CLEAN SOAP SCUM: Spray, wait a few minutes, wipe with sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.

For applications using a sponge, cloth, or mop:

To Remove Mildew Stains: Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Wipe dry with a cloth, sponge or mop [or allow to air dry.] Heavy mildew buildup may require longer contact time, or two cleanings.

TO DISINFECT AND KILL MOLD & MILDEW ON HARD, NONPOROUS SURFACES [such as glazed ceramic tile]: Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Let stand for 10 minutes. Wipe dry with a cloth, sponge or mop [or allow to air dry.]

TO KILL MOLD & MILDEW ON HARD, POROUS SURFACES such as grout and cement: Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Let stand for 10 minutes. Wipe dry with a cloth, sponge or mop [or allow to air dry.] [Repeat application.]

TO CLEAN SOAP SCUM: Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Wait a few minutes, then wipe with cloth, mop or sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.

[Works on grout, [bath]tubs, outside of toilets, fiberglass, shower doors, vinyl curtains, counters -or- countertops, sinks, glass, plastic, glazed ceramic tile, unglazed ceramic tile, no-wax floors, basement floors, windowsills, refrigerator seals, and under the sink.]

Rinse immediately after use on rubber, plastic and vinyl. Avoid prolonged contact with metal and old porcelain as this product can react with these materials and leave a "rusty" stain. Do not use on wood or painted surfaces [unless you plan to refinish or repaint them.]

[This product may not be able to remove mildew embedded in hard water deposits, old grout or silicone caulking.] [Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces as they will discolor.]

DIRECTIONS FOR USE Continued		
WHERE TO USE:		
TO CLEAN TOILET BOWLS: Flush toilet and add 1 cup of this product to bowl. Brush to thoroughly wet all surfaces including under rim. Let stand 5 minutes before flushing.	TO CLEAN FLOORS: Mop washable floors including no-wax floors, linoleum, vinyl and ceramic tile with 1 cup of product per gallon of warm water. Rinse for best shine.	TO CLEAN CEMENT POOL AREAS: Apply liberally (full strength) and rinse. VINYL AND PLASTIC OUTDOOR FURNITURE: Sponge on full strength and rinse immediately.
