Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment - Application to Update Precautionary Statements.  
Product Name: Mold & Mildew Remover  
Admin Number: 68777-3  
EPA Receipt Date: 10/12/2018  
Action Case Number: 00224180

Dear Ana Rodriguez-Koster:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have questions, please contact Michael Varco by telephone at 703-347-0403 or via email at [varco.michael@epa.gov](mailto:varco.michael@epa.gov).

Sincerely,

A handwritten signature in black ink that reads "Demson Fuller". The script is fluid and cursive, with the first name "Demson" and last name "Fuller" clearly distinguishable.

Demson Fuller, PM Team Lead  
RMB1, AD  
Office of Pesticide Programs

EPA Reg. No. 68777-3

EPA Est. No. 68777-NY-1

Manufactured by:  
Crescent Manufacturing  
10285 Eagle Drive  
North Collins, NY 14111

**PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals**

**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact with skin. Wear protective eyewear (such as goggles or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. For prolonged uses, wear gloves. Avoid breathing vapor or spray mist.

**FIRST AID:**

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice. **If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For non-emergency and general information on product use, information pertaining to this product, etc., call the National Pesticides Information Center at 1-800-858-7378 (NPIC website: [www.npic.orst.edu](http://www.npic.orst.edu)). For emergencies, call the Poison Control Center at 1-800-222-1222.

**PHYSICAL AND CHEMICAL HAZARDS:** This product contains bleach. Do not use or mix this product with other household chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases.

---

**STORAGE AND DISPOSAL**

Store away from children in a cool [dry] area, [away from direct sunlight or heat] to avoid deterioration. **PRODUCT DISPOSAL:** Product or rinsate that cannot be used must be diluted with water before disposal in a sanitary sewer. **CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. Recycle empty container or discard in trash.

---

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### **AVOID PROLONGED BREATHING OF VAPOR**

Use in well ventilated areas. Open windows and/or turn on fan(s) before use. If the vapors bother you, leave the room while this product is working. For sensitive skin or prolonged use, wear gloves. Do not mix with other cleaners.

#### **HOUSEHOLD USE:**

##### ***For applications using a trigger sprayer:***

**To Remove Mildew Stains:** Spray 6-8 inches from surface until surface is thoroughly covered. Allow liquid to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time, or two cleanings. If excess liquid dries on nozzle, rinse with warm water.

**TO DISINFECT AND KILL MOLD & MILDEW ON HARD, NONPOROUS SURFACES** [such as glazed ceramic tile]: Spray surface until thoroughly wet, let stand 10 minutes [, and rinse.]

**TO KILL MOLD & MILDEW ON HARD, POROUS SURFACES** such as grout and cement: Spray surface until thoroughly wet, let stand 10 minutes, and rinse. [Repeat application.]

**TO CLEAN SOAP SCUM:** Spray, wait a few minutes, wipe with sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.

##### ***For applications using a sponge, cloth, or mop:***

**To Remove Mildew Stains:** Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Wipe dry with a cloth, sponge or mop [or allow to air dry.] Heavy mildew buildup may require longer contact time, or two cleanings.

**TO DISINFECT AND KILL MOLD & MILDEW ON HARD, NONPOROUS SURFACES** [such as glazed ceramic tile]: Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Let stand for 10 minutes. Wipe dry with a cloth, sponge or mop [or allow to air dry.]

**TO KILL MOLD & MILDEW ON HARD, POROUS SURFACES** such as grout and cement: Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Let stand for 10 minutes. Wipe dry with a cloth, sponge or mop [or allow to air dry.] [Repeat application.]

**TO CLEAN SOAP SCUM:** Apply MOLD AND MILDEW REMOVER undiluted, thoroughly wetting the surfaces with a cloth, mop, or sponge. Wait a few minutes, then wipe with cloth, mop or sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking.

[Works on grout, [bath]tubs, outside of toilets, fiberglass, shower doors, vinyl curtains, counters -or- countertops, sinks, glass, plastic, glazed ceramic tile, unglazed ceramic tile, no-wax floors, basement floors, windowsills, refrigerator seals, and under the sink.]

Rinse immediately after use on rubber, plastic and vinyl. Avoid prolonged contact with metal and old porcelain as this product can react with these materials and leave a "rusty" stain. Do not use on wood or painted surfaces [unless you plan to refinish or repaint them.]

[This product may not be able to remove mildew embedded in hard water deposits, old grout or silicone caulking.] [Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces as they will discolor.]

DIRECTIONS FOR USE Continued		
WHERE TO USE:		
<b>TO CLEAN TOILET BOWLS:</b> Flush toilet and add 1 cup of this product to bowl. Brush to thoroughly wet all surfaces including under rim. Let stand 5 minutes before flushing.	<b>TO CLEAN FLOORS:</b> Mop washable floors including no-wax floors, linoleum, vinyl and ceramic tile with 1 cup of product per gallon of warm water. Rinse for best shine.	<b>TO CLEAN CEMENT POOL AREAS:</b> Apply liberally (full strength) and rinse. <b>VINYL AND PLASTIC OUTDOOR FURNITURE:</b> Sponge on full strength and rinse immediately.
<b>Cleaning/Miscellaneous Claims</b>
