Conditional

## NOTICE OF PESTICIDE:

Registration  
 Reregistration

Name of Pesticide Product: The Flea  
Terminator II

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Sawyers Termite and Pest Control Specialists  
102 Barnes Street  
Carrboro, NC 27510

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

## 2. Change the label by:

- a. Revising the EPA Registration Number to read, "EPA Reg. No. 68476-1".
- b. Revising the Precautionary Statement to read:  
"Harmful if swallowed or absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes, and clothing. Wash thoroughly with soap and water after handling."
- c. Revising the Statement of Practical Treatment to read:  
**IF SWALLOWED:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.  
**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention.  
**IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists.

- d. Adding the sentence "Do not treat pets with this product." to the Use Restrictions statement in the Directions for Use section.
- e. Deleting the phrase "or use approved grooming equipment." from the Directions for Use on carpets.
- f. Revising the sentence "Visible product remaining after application must be removed by further grooming or vacuuming." in the Directions for Use on carpets to read "Any powder visible after application must be brushed into carpet fibers or removed."
- g. Deleting the phrase "with approved applicator" from the Directions for Use on upholstery.
- h. Including a complete telephone number for product users to call when inquiring about guarantees and technical support.
- i. Deleting the sentence "Ideal for homes with pets and crawling children." This sentence contradicts the child hazard warning statement "Keep out of reach of children."

3. Submit three copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**STORAGE AND DISPOSAL.**

**STORAGE:** Keep container tightly closed when not in use. Store in original container in a dry, cool place inaccessible to children and pets.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at a waste disposal facility.

**CONTAINER DISPOSAL:** Do NOT reuse container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or incinerator, or if allowed by State and local authorities, by burning. If container is burned, stay out of smoke.

2 of 3

**ONE YEAR MONEY BACK GUARANTEE**

The Flea Terminator will rid your home of fleas in a few short weeks and will stay that way for one full year. Even if you or your pet bring fleas back into the house, the fleas will not be able to live or to reproduce in the carpet or the furniture. Follow the directions on the label. If you still have fleas in your home six weeks after the treatment, technical support from the originator of The Flea Terminator is available. For this product to be 100% effective the directions for application must be followed and the home must have at least 50% of the floor space carpeted. We will replace the product or cheerfully refund the purchase price if all directions have been followed and a flea problem still exists in the home six weeks after application. TO VALIDATE YOUR GUARANTEE OR FOR TECHNICAL SUPPORT CALL 1-800-\_\_\_\_\_

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

HARMFUL IF SWALLOWED. MAY CAUSE EYE IRRITATION. AVOID EYE CONTACT.  
WASH THOROUGHLY AFTER HANDLING.

**STATEMENT OF PRACTICAL TREATMENT:** If swallowed, contact physician immediately.  
If in eyes, flush eyes with plenty of water. Get medical attention if irritation persists.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.  
**USE RESTRICTIONS:** Children and pets should not be in treatment area until after application is completed. Avoid contamination of feed and foodstuffs. Avoid contamination of ornamental plants.

**APPLICATION DIRECTIONS**

**CARPETS:** Apply to dry carpet only. Apply directly to carpets where pets frequently traffic or sleep at the rate of one pound per 100 square feet (31.5 mg/sq. in.). In other areas, you may apply at the rate of one pound per 200 sq. feet (16 mg/sq. in.). Work product to the base of the carpet pile with a broom or rug rake, or use approved grooming equipment. Visible product remaining after application must be removed by further grooming or vacuuming. Allow three to five weeks for maximum flea control. Reapply as necessary. Note: If high adult flea population makes it desirable, apply a pesticide designed to kill adult fleas before or in conjunction with this product.

**UPHOLSTERY:** Remove loose cushions. Apply with approved applicator along creases and into corners and furniture wells. Do not apply to exposed fabric. Any powder visible after application must be removed.
