Name and Address of Registrant (include ZIP Code)

Ensystox Inc.
Care of Jellinek, Schwartz & Conerly, Inc.
1525 Wilson Boulevard, Suite 600
Arlington, VA 22209

Notes: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 68850-1".
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Inert Ingredients		.6%
Total		100.0%

EPA Reg. #68850-xxxx EPA Est. No. 68850-NC-001

Precautionary Statements

Hazards to Humans and Domestic Animals

Keep Out of Reach of Children

CAUTION

Avoid breathing dust and avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling.

First Aid

If on skin, wash skin with plenty of soap and water and get medical attention if irritation develops. If in eyes, flush eyes with plenty of water and get medical attention if irritation persists. If inhaled, remove individual to fresh air and get medical attention if breathing difficulty occurs. If not breathing, give artificial respiration, preferably mouth to mouth, and get medical attention.

Environmental Hazards

This product is extremely toxic to aquatic organisms. Do not discharge effluent containing this product into any body of water unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without first notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage

Store in original container in a secure, dry storage area. Prevent cross contamination with other pesticides and fertilizers. Do not store above 125 degrees Fahrenheit for extended periods of time. If container is damaged or spill occurs, use product immediately or dispose of product as indicated below.

Pesticide Disposal

Waste resulting from the use of this product may be disposed of according to use directions or at an approved waste disposal facility.

Container Disposal

Completely empty container by shaking and tapping all sides of container to loosen clinging particles. Empty dislodged residue into manufacturing equipment. If container cannot be reused, dispose of container in a sanitary landfill.

Directions for Use

It is a violation of Federal law to use this product in a manner

inconsistent with its labeling.

This product is for manufacturing use only for formulation into an insecticide for the following uses: (1) termite bait (2) uses for which EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration (3) uses for experimental purposes that are in compliance with EPA requirements.

Warranty Limitations and Disclaimer

Ensystem warrants that at the time of delivery, this product will conform to its chemical description on the label. This is the only warranty made on this product. Ensystem expressly disclaims any implied warranties of merchantability or fitness for a particular purpose and any other expressed or implied warranties except as set forth above. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of this product and does not rely on any oral or written statements or representations.

Ensystem supports and recommends only those uses specifically listed under Directions for Use. Furthermore, Ensystem expressly disclaims any and all liability for losses and damages (including claims based on negligence, strict liability or other legal theories) resulting from any use of this product other than those supported and recommended by Ensystem.
