Subject: Submission of Amended Labeling to Revise Storage and Disposal Language, First Aid Language and Warranty Statement Language.

EST-1 Insecticide Concentrate
EPA Reg. No. 68850-1
Your submission date: October 4, 2012

Dear Mr. Gilbert:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act as amended is acceptable. A stamped copy is enclosed for your records. Submit one copy of your final printed labeling before you release the product for shipment. If there are questions contact Dani Daniel at 703 305-5409 or at daniel.dani@epa.gov.

Sincerely,

John Hebert
Product Manager (07)
Insecticide/Rodenticide Branch
Registration Division (7505P)

EST-1 Insecticide Concentrate

Active Ingredient:

Diflubenzuron - N-[[[(4-chlorophenyl) amino]carbonyl]-2,
6-difluorobenzamide99.4%
Other Ingredients:0.6%
Total:100.0%

EPA Reg. No. 68850-1 EPA Est. 68850-NC-001

Precautionary Statements

Hazards to Humans and Domestic Animals

KEEP OUT OF REACH OF CHILDREN

CAUTION

Avoid breathing dust and avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling.

FIRST AID

If on skin or clothing	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.• Call a poison control center or doctor for further treatment advice.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-369-4352 for emergency medical treatment information.

Environmental Hazards

This product is extremely toxic to aquatic organisms. Do not discharge effluent containing this product into any body of water unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without first notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in original container in a secure, dry storage area. Prevent cross contamination with other pesticides and fertilizers. Do not store above 125 degrees Fahrenheit for extended periods of time. If container is damaged or spill occurs, use product immediately or dispose of product as indicated below.

Pesticide Disposal: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into manufacturing equipment. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into manufacturing equipment or store for disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration.

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is for manufacturing use only for formulation into an insecticide for the following uses: (1) termite bait (2) uses for which EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration (3) uses for experimental purposes that are in compliance with EPA requirements.

Warranty Limitations and Disclaimer

Ensystem warrants that at the time of delivery, this product will conform to its chemical description on the label. This is the only warranty made on this product. To the extent consistent with applicable law, Ensystem expressly disclaims any implied warranties of merchantability or fitness for a particular purpose and any other expressed or implied warranties except as set forth above. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of this product and does not rely on any oral or written statements or representations.

Ensystem supports and recommends only those uses specifically listed under Directions for Use. To the extent consistent with applicable law, Ensystem expressly disclaims any and all liability for losses and damages (including claims based on negligence, strict liability or other legal theories) resulting from any use of this product other than those supported and recommended by Ensystem.
