DEC 6 1999

Entek Corp. c/o Lewis & Harrison 122 C Street, N.W. Suite 740 Washington, DC 20001

Gentlemen:

Subject:

Revised Formulation Statement Adding Uses

Enquik MP

EPA Registration No. 68891-6

Eliot Harrison's Submission Dated October 15, 1998

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

- 1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. After Corn add "- All".
 - b. If the Precautionary Statements section does not appear on the front panel, add the referral statement:

See side panel for additional precautionary statements

c. The Agency has recently revised its recommended First Aid statements for pesticide products and intends to issue a PR Notice announcing the changes in the near future. In the interim we are encouraging registrants to begin using the new statements. The new statements were developed as part of the Consumer Labeling Initiative in close cooperation with poison control center personnel and other medical experts. While it is not mandatory that you revise your label at this time, you are strongly encouraged to substitute the revised statements (below) for those statements currently on the label at your next label printing:

FIRST AID

If swallowed:	 Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor.
If in eyes:	 Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
If on skin:	 Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If inhaled:	 Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

- d. Since this product is a Manufacturing Use Product, it is not subject to the Worker Protection Standard and the Spanish Signal Word PELIGRO and text are not required. If retained, move PELIGRO and Spanish text and English translation to the front panel next to the Signal Word DANGER.
- e. In the Conditions for Sale delete references to application to plants, lack of control, damage to plants and crops, and drift since these statements imply that this product is an end use product rather than a manufacturing use product.
- 2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Product Manager (25) Herbicide Branch

Registration Division (7505C)

Enclosure

AMADS-MP

FOR MANUFACTURING USE ONLY HERBICIDE-DESICCANT-HARVEST AID

KEEP OUT OF REACH OF CHILDREN

ACCEPTED with COMMENTS In EPA Letter Dated:

DEC 6 19

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No.

DANGER

Manufactured for:

Entek Corporation 6835 Deerpath Road, Suite E Elkridge, Maryland 21075

ST/TEMENT OF PRACTICAL TREATMENT

IF IN EYES: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes.

Get medical attention

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

IF SWALLOWED: Call a doctor or get medical attention. Do not induce voliting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, eggwhites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol.

For further information call the Los Angeles Poison information Center at (800) 356-3129.

PELIGRO!

AL USARIO: Si usted no lee ingles, no use est producto hasta que la etiqueta le haya sido explicada ampliamento.

(TO THE USER: if you cannot speak English, do not use this product until the label has been fully explained to you.)

PRECAUTIONARY STATEMENTS

1

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER - CORROSIVE:

Causes irreversible eye damage. Moderately irritating to skin. May be fatal if swallowed.

Do not get in eyes, on skin or on clothing. Wear goggles and face shield and protective clothing (such as synthetic rubber or non-nylon plastic apron, gloves, pants and boots) when handling. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse. Avoid breathing spray mist.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not allow AMADS-MP to be heated above 176 °F, as the quality of the product may deteriorate. If AMADS-MP is heated above 230 °F, vigorous decomposition may occur. Do not weld equipment containing AMADS-MP.

CLOTHING: AMADS-MP can attack cotton, nylon, and leather clothing. If AMADS-MP contacts clothing of this type, flush with plenty of water to minimize damage. Wear synthetic rubber or non-nylon plastic protective clothing.

DO NOT MIX WITH OTHER MATERIALS WITHOUT SPECIFIED AUTHORIZATION, AS HAZARDOUS COMBINATIONS MAY RESULT.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL

STORAGE: Material crystallizes below 32°F. Do not heat above 176°F.

Materials recommended for use with AMADS-MP include polyethylene, polypropylene, PVC, CPVC, fiberglass made with reinforced resins such as polyesters and epoxides, most rubbers, and 316 stainless steel.

Do not use with mild steel, leather, or acid-sensitive resins such as delrin and celcon. Do not expose nylon to undiluted AMADS-MP.

AMADS-MP is moderately corrosive to cast iron, aluminum, and brass. Prolonged use with these metals is not recommended.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent) all containers and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by procedures approved of by state and local authorities.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For manufacturing use only in the production of herbicide, desiccant and harvest-aid formulations.

CONDITIONS OF SALE

- 1. Entek warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. Entek neither makes, nor authorizes any agent or representative to make, any other warranty of fitness or of merchantability, guarantee or representation, express or implied, concerning this material.
- 2. Critical and unforeseeable factors beyond Entek's control prevent it from eliminating all risks in connection with the use of this material. Such risks include, but are not limited to, damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for uses stated herein and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage, and use of this material (except those assumed by Entek in (1) above). Entek shall not be liable for incidental or consequential damages.

Entek's manufacturing, composition, and/or use patents relative to the product contained herein include U.S. Patents 4402852, 4404116, 4445925, 4447253, 4522644, 4673522, and 4397675, and various foreign patents. Other patents are pending.

Entek grants the purchaser a license, under Entek's U.S. Patents only, and only for the use of the product contained herein, and solely in accordance with the instructions on this label. NO OTHER LICENSE, EXPRESS OR IMPLIED, IS GRANTED. NOT FOR EXPORT.
