TOXIC SUBSTANCES

November 28, 2003

Ms. Stacy Hartis  
Adams Technology Systems  
5145 Forest Run Trace  
Suite B  
Alpharetta, CA 30022-4504

Dear Ms. Hartis:

Subject: Label Amendment - Additional of Call Physician Statement  
Davis Flea and Tick Mist  
EPA Registration Number 69061-6  
Your Submission Dated September 26, 2003

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided you make the following label changes.

1. The following statement "Call a poison control center or doctor immediately for treatment advice" must also be added to the If in Eyes and If on Skin or Clothing statements or the top or bottom of the first aid box.

You must submit two (2) final printed label before you release the product for shipment. A stamped copy is enclosed for your records.

Sincerely,

Linda G. Arrington  
Acting Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

**PRECAUTIONARY STATEMENT**  
**Hazards to Humans and Domestic Animals**  
**WARNING**

**Humans:** Causes eye irritation. Do not get in eyes or on clothing. Harmful if swallowed or inhaled. Avoid breathing mist. Keep out of eyes. Avoid contamination of food. Wash hands with soap and water after using.

**Animals:** Do not use on puppies, kittens or foals less than 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals or animals on medications. If treatment is necessary, spray on tips of fingers and rub coat. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**Environmental Hazards:** This product is toxic to fish. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur.

**Physical or Chemical Hazards:** Flammable. Keep away from heat and open flame. Do not use this product in or on electrical equipment due to the possibility of shock hazard.

FIRST AID	
IF IN EYES	<ul style="list-style-type: none"> <li>Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> </ul>
IF SWALLOWED	<ul style="list-style-type: none"> <li>Call poison control center or doctor immediately for treatment advice.</li> <li>Have person sip a glass of water if able to swallow.</li> <li>Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>Do not give anything by mouth to an unconscious person.</li> </ul>
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none"> <li>Take off contaminated clothing.</li> <li>Rinse skin immediately with plenty of water for 15-20 minutes.</li> </ul>
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Poison Center at 1-888-773-8712.

### WARNING

See Side Panels For Precautionary Statements

EPA Reg. No. 69061-6 EPA Est. No. 50591-GA-1

32 Fl. Oz. (946.25)

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL BEFORE EACH USE.**

**USE ONLY ON DOGS, CATS, PUPPIES, KITTENS, HORSES AND FOALS.**

**USE ONLY IN A WELL VENTILATED AREA**

**HOLD BOTTLE IN UPRIGHT POSITION WHEN SPRAYING**

**Cats & Dogs:** Cover animal's eyes with hands. With a firm stroke to get a proper spray mist, spray head, ears and chest until damp. With fingertips, rub into face around mouth, nose and eyes. Then spray neck, middle and hind quarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Do Not Reapply Product For 3 Days.

**Puppies & Kittens:** Spray only along back or on your fingertips and rub in.

**Horses:** Use full strength to control stable flies, horse flies, deer flies, face flies, gnats and mosquitoes. Apply to face, legs, flanks, top line and other body areas commonly attacked by these flies. Do not wet horse's skin with excessive spray. After application, brush thoroughly to bring out sheen on coat. Repeat treatment as needed. Not for use on horses to be used for food.

**Pet's Sleeping Quarters:** Spray around baseboards, windows, door frames, wall cracks and local area of floors. If mosquitoes, gnats or flies are present, spray lightly into the air. Repeat as needed. The pet's bedding should be sprayed, making sure the area beneath the bedding is sprayed. After spray has dried, remove old bedding and replace with fresh bedding. Treat pets with one of our registered Flea & Tick control products before allowing them to enter treated area.

### STORAGE AND DISPOSAL

**Storage:** Store in a cool area.

**If empty:** Do not reuse this container. Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency or 1-800 CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
