Micah Reynolds  
Sivad Manufacturing & Packaging, Inc.  
541 Proctor Ave.  
Scottsdale, GA 30079

Subject: Amended Reregistration Label  
Product Name: Sivad Flea & Tick Shampoo™  
EPA Registration Number: 69061-12  
Decision Number: 414109; 411781; 410235

Dear Mr. Reynolds:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the pyrethrins, PBO, and MGK 264 REDs, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

NOTE: This product is **not** yet being reregistered under section 4(g) of FIFRA.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 07/19/2012
- Alternate CSF 1, dated 07/19/2012

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

A copy of your label stamped "Accepted" is enclosed. Products shipped after 12 months from the date of this amendment or the next printing of the label, whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label

Decision No. 414109; 411781; 410235

constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions about this letter, please contact Jennifer Gaines at 703-305-5967 or via email at [gaines.jennifer@epa.gov](mailto:gaines.jennifer@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Urbanski', with a stylized flourish at the end.

[SIDE PANEL]

Sivad Flea & Tick Shampoo kills fleas and ticks on dogs and cats over 12 weeks of age and on horses. It cleans and conditions while leaving the coat shiny and smelling fresh.

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
**WARNING**

Causes substantial but temporary eye injury. Causes skin irritation. Do not get in eyes, on skin or clothing. Wear goggles or face shield. Harmful if inhaled. Avoid breathing vapors or spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Remove and wash contaminated clothing before reuse. Wear long-sleeved shirt, long pants, socks plus shoes and chemical-resistant gloves.

**PHYSICAL OR CHEMICAL HAZARDS**

Combustible: Do not use or store near heat or open flame.

<b>FIRST AID</b>	
IF IN EYES	<ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
IF ON SKIN OR ON CLOTHING	<ul style="list-style-type: none"><li>• Take off contaminated clothing immediately.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>• Call a poison control center or doctor for further treatment advice.</li></ul>
IF INHALED	<ul style="list-style-type: none"><li>• Move person to fresh air.</li><li>• If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth to mouth if possible.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
Have a product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents) you may call 1-888-740-8712 or the National Pesticide Information Center at 1-800-858-7378.	

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions**

Apply this product only as specified on this label. Do not repeat treatment for 7 days. Do not apply to pets less than 12 weeks old. Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant or nursing animals. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and water and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

NOTE to Reviewer: (parenthetical text is informational); [bracketed text is optional or alternate wording].

**READ ENTIRE LABEL BEFORE EACH USE.**

**USE ONLY ON DOGS, CATS AND HORSES.**

**USE ONLY IN A WELL VENTILATED AREA.**

**HOW TO USE:** For use on dogs, cats and horses for the control of fleas and ticks. Wet the animal's coat for 2-3 minutes with warm water. Apply shampoo on head and ears and lather. Then repeat procedure with neck, chest, middle and hindquarters, finishing with the legs last and paying special attention to the footpads (between the toes) and underbody areas. Wash head and ear areas carefully, making sure to keep shampoo out of the animal's eyes. **NOTE:** A drop of glycerin in each eye before bathing may prevent or reduce irritation if the shampoo gets in the animal's eyes. Pay special attention to the base of the tail, as it is a place frequented by fleas. Fully lather animal and let lather remain for 5 minutes before rinsing thoroughly with water. **NOTE:** This final step is an important part of grooming procedure.

For small dogs and cats less than 15 pounds, wrapping the animal in a towel for several minutes to absorb moisture is advised. This will also allow dying fleas and ticks to crawl off animal into towel before drying animal with towel or blow dryer.

Flea and tick control on the animal is only part of the solution to the problem. The inside of the house and the outdoor area used by the animal must also be treated for complete control.

### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store this product in a cool, dry (preferably locked) place that is inaccessible to children and pets.

**Pesticide Disposal and Container Handling: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or place in trash. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
