### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PURAC<sup>®</sup> Sanilac is only to be used in the manufacture and formulation of:

- Disinfectant/sanitizer products for hospital, institutional, industrial and residential use.
- Antimicrobial products used to control bacteria in animal and poultry drinking water.

Formulators using PURAC<sup>®</sup> Sanilac to manufacture their own products are responsible for registering those products with US EPA.

This product may be used to formulate products for any additional use(s) not listed on the label if the formulator or user group has complied with US EPA submission requirements regarding support of such use(s).

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Do not store at temperatures above 140°F. Do not store mixed material.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Disposal:** Triple rinse (or equivalent) all containers and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
