Ms. Georgia Anastasiou  
Designated Representative for Purac America Inc.  
Lewis and Harrison  
122 C Street N.W.  
Suite 740  
Washington, D.C. 20001

Subject: Product Name: Purac Sanilac  
EPA Registration No.: 69132-1  
Label Amendment to revise precautionary language, first aid statement (Per PRN 2001-1),  
and storage and disposal language (Per PRN 2007-4).  
Application Dated January 29, 2008

Dear Ms. Anastasiou:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5) is acceptable provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions. If you have any questions contact Mr. Andrew Bryceland at 703-305-6928 or by e-mail at: [bryceland.andrew@epa.gov](mailto:bryceland.andrew@epa.gov). A stamped copy of the label is enclosed for your records.

Sincerely,

Linda A. Hollis, Chief  
Biochemical Pesticides Branch  
Biopesticides and Pollution  
Prevention Division (7511P)

**PRECAUTIONARY STATEMENTS****HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER.CORROSIVE:** Causes irreversible eye damage or skin burns. Harmful if swallowed or absorbed through the skin. Wear protective eyewear (goggles face shield, or safety glasses), chemical resistant gloves, and protective clothing when handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before reuse.

**ENVIRONMENTAL HAZARDS**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PURAC<sup>®</sup> Sanilac is only to be used in the manufacture and formulation of:

- Disinfectant/sanitizer products for hospital, institutional, industrial and residential use.
- Antimicrobial products used to control bacteria in animal and poultry drinking water.

Formulators using PURAC<sup>®</sup> Sanilac to manufacture their own products are responsible for registering those products with US EPA.

This product may be used to formulate products for any additional use(s) not listed on the label if the formulator or user group has complied with US EPA submission requirements regarding support of such use(s).

**WARRANTY LIMITATIONS AND DISCLAIMER**

Purac America, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. Purac America, Inc. neither makes, nor authorizes any agent or representative to make, any other warranty of fitness or of merchantability, guarantee or representation, express or implied, concerning this material.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Do not store at temperatures above 140°F. Do not store mixed material.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Triple rinse as follows: Empty the remaining contents into application equipment or mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip the container on its side and roll it back and forth several times, ensuring at least one complete revolution, for 30 seconds. Stand container on its end and tip back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat the procedure two more times. Then offer for recycling or dispose of in a sanitary landfill.
