It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

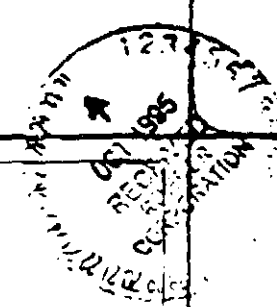

DIRECTIONS FOR USE:

Loop band on wrist, ankle, belt, carriage, stroller or walker with name facing outside. Place tip with arrow through top hole. Pull to your wrist size then place arrow into desired opening on band. Allow band 10-15 minutes to activate before going outside. When not in use, place band into a self-closing plastic bag to prolong its life. Dispose of product with recyclable plastic. May cause skin reaction in rare cases. If reaction persists, call your local doctor.
