 Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Repello Products
Insect Repelling
Towellette

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Repello Products, Inc.
319 Willis Avenue
Mineola, NY 11501

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 69152-6".
- b. Add the phrase "KEEP OUT OF REACH OF CHILDREN" to the front panel of the labeling. Remove the phrase, "CAUTION: Read warning and instructions on back panel".
- c. Add the signal word "WARNING" to the front panel.

(continued on next page)

Signature of Approving Official:

Date:

SEP 10 1997

d. Modify the the Precautionary Statements to include the subheading "Hazards to Humans and Domestic Animals" followed by the signal word "WARNING". In this paragraph the following language should be added: "For external use only. May cause eye injury. Do not get into eyes or mouth. Harmful if swallowed. Avoid contact with lips, open cuts or irritated skin.

e. In accordance with the DEET Label Improvement Program (LIP), PR Notice 91-4, add the following:

1) At the beginning of the directions for use add the bold print, "Read all directions before using this product."

2) Add the to the directions for use:

" Do not apply over cuts, wounds, or irritated skin."

"Do not apply to eyes and mouth and do not apply to the hands of young children."

"Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure."

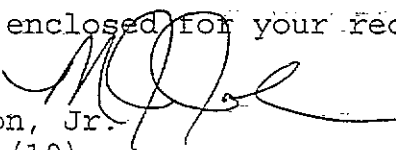

"Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to the product, wash treated skin and call your local poison control center. If you go to a doctor, take the repellent with you."

e. Move the active ingredient declaration to the front panel.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
