Repello Products, Inc.
319 Willis Ave
Mineola, NY 11501

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, registered/re-registered under the Federal Insecticide,

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, upon the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 69152-17."
 - b. Modify the Precautionary Statement to include the subheading "Hazard to Humans and Domestic Animals" followed by the signal word "CAUTION". In this paragraph, the following language should read: For external use only "May cause eye injury. Do not get into eyes or mouth. Harmful if swallowed. Avoid contact with lips, open cuts or irritated skin.
 - c. In accordance with the DEET Label Improvement Program(LIP), PR Notice 91-4, add the following;

Signature of Approving Official:

See page 2

Date:

October 14, 1997

3. Add to the Directions for Use:
 - a. "Do not apply over cuts, wounds, or irritated skin."
 - b. "Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-exposure."
 - c. "Use of this product may cause skin reaction in rare cases. If you suspect that you or your child is reacting to the product, wash treated skin and call your local Poison Control Center. If you go to a doctor, take the repellent with you".
 - d. Modify the active ingredient N,N-dimethyl-m-toluamide to read 16.625 as discussed with the reviewer.
 - e. Submit a corrected Confidential Statement of Formula.
4. Submit five copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR USE: Dab around wrist, elbows, neck and ankle area above socks. Increase skin wipe area in high insect concentration areas. Do not apply to the hands of young children. Excessive or frequent application is not necessary. Wash treated skin after returning indoors.

STORAGE AND DISPOSAL: Store in a cool dry area away from heat and flame. Place used towelette back in foil wrapper and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS: WARNING: For external use only. Not a primary eye irritant. Direct contact of product with eyes can cause minor irritation. Do not get into eyes or mouth. Harmful if swallowed. Avoid contact with lips, open cuts or irritated skin.

PHYSICAL/CHEMICAL HAZARDS: Do not use or store towelette near heat sources, sparks, or open flame. Applied liquid is not flammable. Do not use on Rayon, Spandex, or Dynel. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Can be wiped on nylon, cotton and wool.

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED: Call physician or poison control center. Get medical attention.

IN EYES: Flush with plenty of water. Get medical attention.

ON SKIN: May cause skin reactions in rare cases. If so, wash skin thoroughly with soap and water. Get medical attention if irritation persists.
