Liquid Vegetation Killer

For Total Vegetation Control

Prevents Plant Growth For Up To One Year

One Gallon Covers Up To 1,200 Square Feet

ACTIVE INGREDIENT:

Prometon: 2,4-bis (isopropylamino)-6-methoxy-s-triazine	3.75%
INERT INGREDIENTS*	<u>96.25%</u>
Total:	100.00%

*Contains petroleum distillates
Contains 3.75% prometon per gallon.

Keep Out of Reach of Children

WARNING

See back panel for additional precautionary statements.

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire *Directions for Use* and the *Conditions of Sale and Warranty* before using this product.

Conditions of Sale and Warranty

The *Directions for Use* of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Topaz Turf Corp. or the Seller. All such risks shall be assumed by the Buyer.

Topaz Turf Corp. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the *Directions for Use* subject to the inherent risks referred to above. Topaz Turf Corp. makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Topaz Turf Corp. or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. Topaz Turf Corp. and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing *Conditions of Sale and Warranty*, which may be varied only by agreement in writing signed by a duly authorized representative of Topaz Turf Corp.

GENERAL INFORMATION

For total weed control on certain areas around the home, the business or workplace where no plant growth is desired, use as specified in label directions. Controls bindweed, common mullein and other hard-to-kill weeds. Prevents plant growth for up to one year.

This product is a nonselective product intended for use after dilution with water, or an appropriate oil, or other approved carrier. For best results, apply to bare ground or when weed growth is just starting. Weeds taller than 4-6 inches should be hoed before treatment or it may be necessary to make a second application. A second application may be necessary to control deep-rooted perennial weeds. Use for bare ground vegetation control in driveways, brick walks, paths, patios, parking areas, play areas, along fences and curbs, around buildings and under graveled pathways where plant growth has come through these surfaces.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For control of annual and susceptible perennial weeds such as downy brome grass, oatgrass, goosegrass, quackgrass, puncture-vine, goldenrod and plantain. To cover 100 square feet, add 10 - 16 fluid ounces by use of a sprinkling can or other watering or spraying device in sufficient water to get good coverage of the area (e.g., 2 1/2 gallons in sprinkling can). For control of hard-to-kill perennial broadleaf and grass weeds such as bindweed and johnsongrass, as well as the biennials common mullein and wild carrot, use 1.3 - 1.8 quarts in sufficient water to get good coverage. Different grades of mineral oil, diesel fuel, petroleum-based oil, fuel oil or kerosene may be substituted for water.

When using sprinkling can, triple rinse and pour rinsate on area treated once application is completed. Mix only the quantity needed and use immediately. Do not store dilute solution once container is opened. To minimize lateral movement, sprinkle lightly with a watering can or similar sprinkler device immediately after application.

PRECAUTIONS: (1) Apply when air is calm to avoid the possibility of drift onto desirable plants or grass. (2) Keep away from the roots of desirable plants and trees. (3) Use only in areas where complete control of all vegetation is desired. (4) This product should not be used on cultivated areas, on ground that is to be cultivated, in greenhouses or near the drip line of trees or shrubs. (5) Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). (6) Avoid using where adjacent desirable trees, shrubs, or plants may be injured from leaching of the chemical through the soil. (7) Keep children and animals off treated areas until these areas are dry.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place (inaccessible to children and pets) away from heat or open flame. **Disposal:** Do not reuse empty container; wrap and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin or clothing. Avoid breathing vapor or spray mist. Wear safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Statement of Practical Treatment

If In Eyes: Hold eyelids open and flush with a steady, gentle stream of water. Get medical attention. **If Swallowed:** Call a physician or poison control center. Give water if conscious. May present aspiration hazard. DO NOT induce vomiting. Do not give anything by mouth to an unconscious or convulsing person. **If On Skin:** Wash with plenty of soap and water. Get medical advice. **If Inhaled:** Remove victim to fresh air. **Note to Physician:** If swallowed, lavage stomach, taking care to avoid aspiration of stomach contents into the lungs.

Environmental Hazards

Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). Do not contaminate water used for irrigation or domestic purposes. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water when disposing of equipment waste water. Apply this product only as specified on this label.

Physical or Chemical Hazards

Do not use, pour, spill or store near heat or open flame.
