

**ENVIRONMENTAL HAZARDS**

For terrestrial uses, do not apply to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. This pesticide is toxic to birds, fish and other wildlife. Do not contaminate water by cleaning equipment or disposal of waste. Apply this product only as specified on this label.

**USE RESTRICTIONS**

Do not use where food (grain or meat) might become contaminated.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE**

Store in original container only in a cool dry area away from heat or open flame. Store apart from food or animal and protect against rodent penetration of container. Store apart from other pesticides, fertilizers, food, or food that may cause cross contamination of odor or insect infestation.

**DISPOSAL**

Pesticide waste is acutely hazardous. Improper disposal of excess pesticide, spray mixture, or reinstatement is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Agency, Completely empty container by shaking and tapping sides and bottom to release any trapped particles. Dispose of container in a sanitary landfill.

**INSECTACEASE  
A Versatile Insect  
Exterminator**

**ACTIVE INGREDIENTS:**

Boric Acid	2.0%
Inert ingredients	98.0%
<b>TOTAL</b>	<b>100.0%</b>

INSECTACEASE is granular bait that kills and controls the fire ant queens. It is deliberate acting bait that controls, and rids mounds. Very effective on all types of Fire ants.

**CAUTION! !! !!!  
KEEP OUT OF REACH  
OF CHILDREN**

**PRECAUTIONARY STATEMENT**

Harmful if swallowed or absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching the back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

**IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists.

**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention.

**DIRECTION OF USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

INSECTACEASE should be uniformly broadcast over the entire area where Fire ant control is desired. Foraging ants will take the bait back to the mound and to the queens.

Recommended treatment: It can be applied at a rate of one (1) to two (2) pound per acre. You may want to treat the surrounding areas also. For area less than an acre especially residential area, one half (1/2) to three quarter (3/4) pound should be adequate. Treatment rate of one (1) to two (2) applications are recommended over a two weeks interval.

**WARRANTY STATEMENT**

GMI's recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer; no guarantee, express or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practices. The buyer must assume all responsibilities, including injury or damage, resulting from its misuse as such or in combination with other materials
