Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 69407-3

[Back Panel]

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS OR CATS
DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To shampoo and kill *Fleas* and *Ticks*, wet the pet's coat with warm water. Starting at the head, work shampoo thoroughly into the hair. Allow the lather to penetrate the fur for five minutes before rinsing. Dry with a towel. Repeat weekly or as infestation warrants, but not more often than once every two days. As a precaution, prior to bathing, a bland ophthalmic ointment may be placed in the eyes to prevent possible irritation.

Pet bedding and quarters should be treated simultaneously with a product registered for use in these areas.

Storage: Store in a cool, dry place (preferably locked) inaccessible to children and pets. **Disposal:** Do not reuse empty container; wrap and put in trash.

PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals

WARNING: Humans: Causes substantial but temporary eye injury. May be harmful if swallowed or absorbed through skin. Do not get in eyes or on clothing. Wear safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. **Animals:** Do not use on puppies or kittens under 12 weeks of age. Consult a veterinarian before treating pregnant, nursing, sick, aged, medicated or debilitated dogs and cats. Sensitivities may occur after using ANY pesticide for pets. If signs of sensitivity or adverse reaction occur, bathe your pet with a mild non-pesticidal soap/shampoo and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

First Aid

If Swallowed: Contact a physician or poison control center. Do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Probable mucosal damage may contraindicate the use of gastric lavage. **If in Eyes:** Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. **If on Skin:** Wash thoroughly with soap and water. Get medical attention if irritation persists.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
