c. Create a new labeling section entitled "Environmental Hazards". It should be placed under the "Precautionary Statements" and before the "Directions for Use". Text in the "Environmental Hazards" section should read: "This product is toxic to fish. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on this label."

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

RPK
