BLACK FLAG®

WASP-BEE-HORNET KILLER kills fast.

15 Foot Spray Kills From 20 Feet
Over 20 Foot Spray Kills From Over 20 Feet

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR OUTDOOR USE ONLY: SHAKE WELL BEFORE EACH USE. Hold can upright. Point valve -or- nozzle away from face. Aim at area to be sprayed. Avoid excessive wetting of plastic, vinyl or asphalt tile floor surfaces.

Hornets, Wasps, Bees and Cicada Killers:

Spray a stream directly on nests, especially around openings. The stream can be directed up to 15 feet. Apply to nesting areas at dusk, when possible, since most insects are then in their nests and less active. Spray around window and door frames, under shutters, under eaves and siding, around rafters and other areas where wasps or hornets may nest. Repeat applications when necessary.

-or-

Spray directly on nests, especially around openings. Spray at dusk when most insects are in their nests and less active. Stand a safe distance from nest and not directly underneath it. The spray can reach up to 20 feet. Spray around window and door frames, under shutters, under eaves and siding, around rafters and other areas where wasps or hornets may nest. Repeat as necessary.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS -or- PETS

Read all directions before use.

CAUTION: May cause skin irritation.

Harmful if swallowed or absorbed through the skin. Avoid

contact with skin and clothing.

Avoid breathing spray.

Avoid eye

contact. Wash thoroughly with soap and water after handling. Do not apply to

humans, pets, dishes or

utensils. Do not contaminate feed or foodstuffs. Do not allow children in treated

areas until

surfaces are dry. Do not smoke while using.

FIRST AID /STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

IF ON SKIN Remove contaminated clothing and wash affected areas with soap and water. Get medical attention if irritation persists.

IF IN EYES: Rinse with plenty of water. If irritation lasts, call a doctor.

NOTE TO PHYSICIAN: Solvent presents aspiration hazard. Gastric lavage is indicated if material was taken internally. This product contains a cholinesterase inhibitor. If symptoms of cholinesterase inhibition are present, atropine is antidotal.

For Medical Emergency Call 800-338-6167

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from heat, sparks and open flame. Do not puncture or incinerate -or- burn container -or- can. Exposure to temperatures above 130°F may cause bursting -or- can to burst.

(back panel contd.)

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a cool area away from heat or open flame and out of reach of children.

Disposal: This container may be recycled [in the few but growing number of communities] where steel aerosol can recycling is available. Before [offering for] recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, wrap the container in paper and discard -or- throw in the trash.

-or-

Disposal: Empty the can by using the product according to the label (DO NOT PUNCTURE). Some recycling centers accept these steel containers. Otherwise, wrap, container and discard in trash.

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.
